

Student Technology Agreement : **Years 1 & 2**

I agree to use technology in a responsible manner.

When using technology at St. Brendan's Catholic Primary School I will:

- Only access technology at school with the permission of a teacher
- Tell a teacher if there is anything inappropriate on a screen
- Not give out my name to anyone on technology
- Never send anyone a picture
- Not respond to any messages that are unpleasant or that make me feel uncomfortable in any way and inform the teacher straight away.
- Not use technology to frighten or annoy another person
- Not access the msn website, use the msn Hotmail emailing system, visit any chat room sites or any social networking sites.

I understand that breaches of the rules will see me lose technology access rights for a period of time which will be determined by the school.
