Nationally Consistent Collection of Data (NCCD) and Students with Disability (SWD)

All schools must now complete the *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* every year, in August. It counts the number of students who receive additional adjustments or ‘help’ at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

Previously Catholic schools in Victoria accessed additional funding for their students with disability through the Catholic Education Commission of Victoria (CECV) *Students with Disability (SWD) program*. The NCCD has replaced this program and will ensure consistency across the country, from state to state and from sector to sector.

The Victorian Premiers' Reading Challenge is now open and St Brendan's is excited to be participating. The challenge has a new look.

The Challenge is open to all Victorian children from Foundation to Year 6 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 4 September 2020.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 6 are challenged to read 15 books.

The Premiers Reading Challenge has an online recording system which is intended for students to enter their books at home.

Students wishing to participate, need to send Katrina an email at:
kwykes@lakesent.catholic.edu.au

They will then be sent their username, password and details to access the online computer system.

To log in to the Premiers Reading challenge site, read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, go to <https://vprc.eduweb.vic.gov.au/home>

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

Have Your Say on Remote and Flexible Learning

Dear Parents, Guardians and Carers,

All schools in the Diocese of Sale have now resumed onsite schooling and Remote Schooling has ceased.

I would like to thank all parents, carers and guardians for your support during Remote Schooling.

The Victorian State Government has announced a community consultation opportunity regarding Remote Schooling through an online Survey.

The Survey is available for completion until 3 July 2020. Your feedback is sought to understand what lessons were learned during Remote Schooling and the challenges or opportunities to consider for strengthening the future of school education in Victoria.

As a parent / guardian / carer of a student in the Diocese of Sale, you are encouraged to complete this Survey, anonymously if you wish, before 3 July 2020.
