Sometimes parents want to alter the arrangements about picking up children after school.

Please try and make these arrangements in the morning so that you can explain to your child the arrangements.

A key ring on your child's school bag is a good idea. This lets them know what is happening at the end of the day—carline, bus tonight, pick up outside classroom.

### Prayer for our planet

As we prepare to take part in Clean Up Australia Day this Friday, Lord help us all to be aware of the beauty of this wonderful planet that you have entrusted to our care.

Please help us to make wise choices to ensure we do all we can to protect and save our planet and all living creatures on it.

Amen

### FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

#### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid medicare-related concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

#### MOORE INFORMATION

For more information about the CSEF visit [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

- Please contact the school office for more information.

# WELCOME TO OUR FAITH

CORNER

## WHO'S WHO IN OUR PARISH

A lot of different people make up the Church. Over the next few weeks, we will learn a bit about who some of these people are.

### Sister Lynette Young

“Religious Sisters are a special group of women in the Catholic Church who dedicated their lives to serving the community. They have accepted a special call from God to live the Gospel or Good News as special friends of Jesus who care for each other.

The group I belong to are called *Sisters of St Joseph* and were started by St Mary MacKillop and Fr Julian Tenison Woods in 1866 in the tiny country town of Penola. Our special service is to the country and remote rural communities, to go wherever the need is.

*Never see a need without trying to do something about it.*

Pope Francis is our leader and Bishop Greg Bennet cares for us in the Diocese of Sale and Fr Michael is our Parish Priest.

There are about 3000 of us throughout the world in all of Australia and New Zealand as well as Ireland, Scotland, Peru, Brazil, Timor Leste and many refugee camps in Africa. We serve in a variety of ways from teaching, nursing, pastoral care, parishes, rescuing orphans and those involved in people trafficking and care of the aged in their homes.

Some places where I have been a teacher, school principal, counsellor and carer have been in Victoria, Tasmania, NSW, Scotland, Ireland and outback Queensland.

I try to live as St Mary MacKillop did, being a special friend of Jesus and talking with him every day and by bringing hope and encouragement to those who are disheartened, lonely, sick or needy in any way.

I love being a Sister and being in Lakes Entrance.

God bless,

Sr Lynette

Genius Hour is a fun and engaging hour of learning through sensory play. The Foundation Space comes alive with many different play experiences. Sensory Play helps children broaden their concentration, creativity and social skills by interacting in a group experience. Activities may require students to follow visual instructions, sort objects in different ways, create, write and participate in various dramatic play experiences.

# Project Compassion

## “BE MORE”

Hi, I'm Amelia and I am part of the 2021 Social Justice Committee. Caritas Australia's major fundraiser is Project Compassion. This year's Project Compassion theme is “BE MORE” taken from the inspiration of St Oscar Romero, a wise man who once said ‘Aspire not to HAVE more but to BE More.’

My peers, who are in the Social Justice Committee, and I have been going around to every classroom in our school and presenting a speech, showing a video clip, giving them a small donation box, a poster and a teacher handbook. We will be coming around to each classroom at least once a week to do some fun activities with students to encourage them to think of making a donation. We will be encouraging teachers to do small activities, using the handbooks, with their students to encourage the thought of helping others.

We hope that everyone makes a donation that will help those less fortunate than us.  
Thank You!!

# 100k Club

By Harry Coventry, Layla Wilkie-Pitt and Emily O'Donnell

If you don't know, the 100k club is a before school activity for all students on Wednesday, Thursday and Fridays. You can run, walk or jog around the Shanley Oval and each lap you complete gets marked on a record sheet by students in the Events Committee.

If you complete 25k you get a ribbon that has 25k on it, if you complete 50k, you will get a 50k ribbon and if you complete 75k, you will get a 75k ribbon. If you make it to 100kms, you will get a C that stands for Century on the back of your school hat. This activity will continue for the whole year and hopefully you can reach your goal!

## Crazy Hair/PJ Day!!!

Please bring a Gold Coin

You may have heard at assembly that on Friday, March 12th, the Events Committee is holding a Crazy Hair/ PJ day! On Friday, make sure you come to school in your comfiest pyjamas and your craziest hair.

In the library there is a chart that counts all of our house points. As a school, our goal is to reach the top of the chart. If we achieve that goal, there will be a special prize that will be revealed on the day!

Make sure your hair is very crazy because there will be a parade and a contest for the craziest hair, the winner will receive a prize!

By Shayla Lazzarotto and Heidi Ferris

The gold coin donation will be going towards the [gofundme](https://au.gofundme.com/f/jarrahs-journey) page for Jarrah's Journey with Ataxia Telangiectasia. See [gofundme](https://au.gofundme.com/f/jarrahs-journey) page for more details : <https://au.gofundme.com/f/jarrahs-journey>

# Golf Division Day

By Connor and Kye.P

On Tuesday morning Kye and I were on our way to the Lakes Entrance Golf Course as we were representing St Brendan's Primary School in district golf.

Before we started the game we had about an hour to practise our putting and driving. Just before we headed off to the course, the instructor sorted everyone into groups because there were about 20 people participating for the day. Our first hole was hole Number 5. We had to do 9 holes for the whole course. The first hole took us 2 or 3 shots to get it onto the green.

After the next 20 minutes everybody's shoulders and neck were getting sore because of all the swinging and bending over to look down at the ball. The last hole was almost 300 metres and took about 3 or 4 shots to get onto the green. We had the whole day to complete the course, which took about 3 hours.

It was a great and enjoyable experience.

Last week on Thursday, 6 Red participated in Kids Roar led by Annemarie Bayard. This program teaches students about bullying, safety, protection of our body and problems with having a criminal record. Students were given little cards to write down their top five people to contact if they are having a problem or just need someone to talk to. We also discussed what our early warning signs are of being in danger by playing a little game. In the game we had to stand in a circle and close our eyes. Annemarie then said "I'm about to pop a balloon", most of us then showed our warning signs when she popped it. We would like to thank Annemarie for coming and teaching our school all about our safety.
