NEW

Sometimes parents want to alter the arrangements about picking up children after school.

Please try and make these arrangements in the morning so that you can explain to your child the arrangements.

A key ring on your child's school bag is a good idea. This lets them know what is happening at the end of the day—carline, bus tonight, pick up outside classroom.

Dear Families and Friends,

Over the last few weeks we have had students swimming at the **District, Division and Regional Swimming Carnivals**. Mr Bates has been thrilled with the behaviour and competitive performance of our students throughout the meets. At this week's Regional meeting in Sale we had Mitchell, Jai and Lucas Hanckel, Juliet and Harrison Walker, Tayte Gibbs, Matthew Deboer, Harrison Bennett, Isaac Zagami, Harley Young and Eve Hamer compete for St Brendan's. They all performed extremely well against experienced competitors. We are very proud to announce that **Mitchell Hanckel**, (who is 8 years old in an age 9/10 group) has made it through to the **Victorian State Carnival**. Amazing!

Added to the excitement of the Regional Carnival performances I would like to comment on the enjoyment the staff and students received when the Nagle College/Bairnsdale Secondary College students came to be with us. A dozen or so students came over to chat with our students and cheer on our swimmers. It was truly a lovely school-moment, one I was extremely proud to see.

Healthy Life Tips From: <https://raisingchildren.net.au/> **Positive Attention**

Positive attention is the way you show delight in your child and warmth in your relationship through:

- smiling at your child
 - making eye contact and using caring facial expressions
 - showing physical affection – for example, hugging your child
 - using words to celebrate and encourage your child
- showing interest in your child's interests, activities and achievements.

Why positive attention is important

From birth, children need experiences and relationships that show them they're valued, capable human beings who bring pleasure to others. Positive attention, reactions and responses from key grown-ups help children build a picture of how valued they are.

Your **child's self-image** builds up over time with positive, loving messages from you and other important people in your child's life. A healthy self-image is very important, not only for your child's relationship with others, but also for your child's confidence as they learn about the world.

We have an extremely busy school time coming up with **swimming lessons** taking place for years three to six over the next three weeks. We also have a maths fun afternoon next Friday along with school camps for year six to **Sovereign Hill, Ballarat** and year four to **Karonda Park, Gelantipy**. While this takes a lot of planning and effort, it is great to be back to normal!

I would like to welcome the following staff to St Brendan's CPS. We are pleased to announce that **Jane Whelan** will take over the Garden to Kitchen program at school teaching students about sustainable living and healthy eating. Jane will be here on Tuesdays to Thursdays. We are also fortunate to have **Jo-Lee Kennedy** here over the rest of Term One and for Term Two as Mrs Holden takes Long Service Leave.

Sincerely,

Matthew Hamer

CORNER

LAWN BOWLS

By Henry Gavin And Amelia Midson.

On Friday the 5th of March 2021 a group of 12 students from St Brendan's Primary School jumped up some stairs on to a Dysons bus and headed to Bairnsdale, to the local Bowling Club and competed in the jr comp.

We were separated into 3 groups of 4 and those were our teams for the day. We first had a bye and got to split into our teams and got to choose our bowls and have a quick practice on the green and then got a few group photos, then we got into it.

St Brendans placed 5th with Lucknow A in 1st, Lucknow B in 2nd, Paynesville A in 3rd and Buchan B in 4th.

We all tried our best and had a great day. Thanks to Mr McPhee, Geoff, and the Lakes Entrance and Bairnsdale Bowls Clubs.

Nagle Visit to Year Six

Mr Dunnings, Mrs Lawrance, our ex-students, Thomas Greer and Oliver Greer, came into our year six classroom to talk with us about what it's like at Nagle College. They answered our questions such as, "What happens if you get lost?" "What are the different uniforms?" and "What is it like to be the year nine house captain?" They also explained how to use your school diary properly and what happens if you get in trouble. We all really enjoyed them visiting us, and I'm sure most of us have made our decisions about where we are going for high school.

Sport 2021

2021 5051

In 2021 we have kicked the year off with our St Brendan's Swimming carnival, it was a great day with many outstanding efforts. Congratulations to Blue House who took the honours of the swimming carnival champions. We have many other inter schools sports planned to go ahead this year such as lawn bowls, swimming, golf, tennis, winter sports, basketball, cross country and athletics.

I am also excited to say that the afterschool athletics has started up again on a Wednesday night. The students are developing their athletics skills and have lots of fun while participating.

Sport in school will cover a variety of individual and team sports such as tennis, badminton, athletics, AFL, netball, basketball, minor games, hockey and many more. Through sport lessons students will be exposed to team work, sportsmanship, fair play, rules for games, gain fitness, consider team tactics and develop technique in their sporting actions.
