We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.

We pay our respects to their elders past, present and emerging. We extend that respect to all people.

We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and St Brendan's is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved

the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 17 September 2021.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

The Premiers Reading Challenge has an online recording system which is intended for students to enter their books at home.

Student wishing to participate, need to send Katrina an email at: kwykes@lakesent.catholic.edu.au
They will then be sent their username, password and details to access the online computer system.

Keeping Warm

During the winter months we allow students to arrive at school with a beanie, scarf, gloves or wind proof jacket on to fight the cold. We require these items to be navy blue or black.

Please make sure your child brings their school jumper to school everyday during winter.

Year 2

Today we celebrated the different cultures of EVERYONE! Millie says, "We can respect and embrace all cultures and not judge anyone by the way they look". Callum suggests that we can show respect by including everyone in our games.

People in our class are from different cultures so today we decided to celebrate by eating different food. Brock thought Olivia's Chinese dumplings were delicious and Thomas thought Lacey's Aussie biscuits looked spectacular. Hazel really enjoyed Sadie's lemon holey cake.

A special thank you parents for providing the amazing food. The students had a fabulous afternoon filling up on scrumptious food and talking about their heritage.

VOLUNTEERS NEEDED

St Brendan's Parish offers catering of a light luncheon or afternoon tea to bereaved families following a Requiem Mass or Prayer Service.

Over the years families and teaching staff from St Brendan's school community have assisted us with preparation of sandwiches, serving on the day or baking a slice/cake.

The catering list needs to be updated as some of the families and teachers who have generously volunteered in the past have now left our school.

We would only call on the school community for very large funerals.

We would be delighted to hear from you if you would like to help out.
Please contact :- Margaret Berlinger 0487654521/Margaret East 0400927419

St. Brendan's **Got Talent**

By Eve Hamer and Jade Pedder

Two weeks ago the house and school captains started St Brendan's Got Talent for all year levels. There were judges, MCs and crowd control. One by one, each kid from the year level would perform an act. That act could be dancing, singing or something of their choice.

After an act has finished the judges would rate a score out of 10. We then would keep track of each score and add it up out of 30. The first place winner will get to perform at the end of term DISCO!! Everyone so far has been amazing and the leaders have had lots of fun seeing them.

Congratulations to everyone that performed but especially the first place winner. We are excited to announce that there will also be a teacher's talent at the end of term disco. So teachers get those moves, it's time for a grove!!

Remote Learning

By Stella Bonacci and Tayah Alsop

Due to Covid19, St Brendan's students returned to Remote Learning on May 31st, 2021. Some students went to school and did their work, but most worked from home. In Year Six, we had zoom meetings in the morning for us to know and understand what we would have to do for the day, then followed a timetable for the remainder of the day. Remote Learning can be a scary time for some but it is also a great experience for some students so they are able to work at their own speed. Although some parts of working remotely can be fun, we much prefer being in class with our teachers and peers.

CLOSE AT THE
END OF
TERM!**

**Our school is taking part in the Wonder
Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points
to redeem on new RSHS equipment.

It's simple! All you need to do is keep your empty
bread bags and send them to school with your kids!
We will then place them in Wonder's pink collection box
and post them off to be recycled. The more we collect
the more points our school earns!

Collections close 25th June.

Tip for collecting:

Use one empty bread bag to
collect a bunch of other bags.

Our school is now in the draw to
