

ANTI-BULLYING AND BULLYING PREVENTION POLICY

1.0 INTRODUCTION

This policy establishes the rights of all students to an environment free from fear, intimidation and harassment. All students have the right to feel safe and comfortable at school and to be treated with understanding and respect by others.

The prevention of and responses to bullying, inappropriate use of technology and disrespectful behaviour are more readily achieved through a whole school approach, focusing on creating and maintaining caring and supportive environments and a culture that promotes positive relationships and reflects Catholic Social Teaching. Bullying, cyberbullying, harassment, aggression and violence can adversely affect the wellbeing of our students and are therefore unacceptable.

2.0 PURPOSE

This policy:

- 2.1 Encourages a culture that is firm about the unacceptable nature of bullying.
- 2.2 Articulates how bullying is defined and addressed; including the means taken to prevent incidents and the response taken when bullying occurs.
- 2.3 Supports the school's Mission and Vision Statements and guidelines of Catholic Education in the Diocese of Sale.
- 2.4 Actively promotes respect and positive relationships to prevent bullying.

3.0 PRINCIPLES

- 3.1 Every person has the right to be treated respectfully and feel safe from any form of verbal, physical and emotional bullying.
- 3.2 The school is committed to building and nurturing a community that values diversity.
- 3.3 Parents are the prime educators of their children.
- 3.4 Complainant(s) will be protected from victimisation.
- 3.5 Communication is respectful and human dignity is valued.
- 3.6 A whole school approach is adopted to prevent and address bullying.

4.0 DEFINITIONS

- 4.1 **Bullying:** is repeated unreasonable behaviour directed towards a person, causing fear, distress or harm that involves an imbalance of power. It creates a risk to the mental and physical health and safety of others. It occurs when an individual or a group deliberately upsets or hurts another person, their property, reputation or social acceptance on more than one occasion.
- 4.2 **Cyberbullying:** the ongoing abuse of power to threaten or harm another person using technology. Cyber bullying can occur in chat rooms, on social networking sites, through emails or on mobile phones and includes abusive texts and emails, hurtful messages, images or videos, imitating others, excluding others, humiliating others, spreading nasty gossip and chat, and creating fake accounts to trick someone or humiliate them.
- 4.3 **Direct bullying:** behaviour that hurts, harms, or humiliates and is overt, obvious, and apparent to anyone witnessing it. The actions and words are easy to identify, the identity of the person bullying is usually known, and the acts are focused toward the person being bullied – they know about the bullying as it is happening.
- 4.4 **Exclusion bullying:** deliberately and continuously being left out of activities.
- 4.5 **Extortion bullying:** physically stronger and more powerful students may bully other students into giving up their possessions, buying food and drink, or taking part in rule breaking activities.
- 4.6 **Gesture bullying:** non-verbal signals used to silence and intimidate a victim.
- 4.7 **Indirect bullying:** behaviour that hurts, harms, or humiliates, which is often covert, subtle, and not always immediately acknowledged as bullying. The words and actions can be harder to identify, can be done anonymously and discreetly, and the target might not find out about the bullying until long after it has happened.
- 4.8 **Physical bullying:** pushing, shoving, fighting, pinching, damaging, stealing or hiding personal belongings and any other unwelcome physical contact used intentionally to intimidate or hurt someone.
- 4.9 **Psychological bullying:** words or actions are used to cause psychological harm. Examples of psychological bullying include name calling, teasing or making fun of someone because of their actions, appearance, physical characteristics or cultural background.
- 4.10 **Sexual harassment:** touching, sexually orientated jokes, drawings of, or writing about someone's body, using rude names or commenting about someone's morals, unwanted invitations of a sexual nature, continuously asking questions about someone's private life.
- 4.11 **Verbal bullying:** put downs, particularly those referring to physical characteristics, can result in loss of self-esteem. Racial discrimination or any kind of discrimination based on age, sex, gender, disability, belief or culture is a form of bullying.
- 4.12 **Visual bullying:** offensive notes or material, graffiti, or damaging other people's possessions.
- 4.13 **What Bullying is Not:** many distressing behaviours are not examples of bullying, even though they are unpleasant and often require teacher intervention and management. There are three socially unpleasant situations that are often confused with bullying:
- 4.13.1 **Mutual conflict:** In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power. Unresolved mutual conflict sometimes develops into a bullying situation, with one person becoming targeted repeatedly for 'retaliation' in a one-sided way.
- 4.13.2 **Social rejection or dislike:** Social rejection is bullying when someone feels alone or left out because of the manipulation of their peer relationships and social status. It is not bullying when, say, people make new friends and distance themselves from

old friends. That old friend may feel as though they are being “socially excluded” but if there is no aggressive intention to cause harm, they are not being bullied.

- 4.13.3 **Single-episode acts:** Single episodes of nastiness or physical aggression are not the same as bullying. If a student is verbally abused or pushed on one occasion, they are not being bullied. Nastiness or physical aggression that is directed towards many different students is not the same as bullying.
