*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.
We pay our respects to their elders past, present and emerging. We extend that respect to all people.
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

THE OFFICIAL SCHOOL HAT IS COMPULSORY and is to be worn by every child during all outdoor activities in Terms One and Four.

Face Masks – Primary Students

The Victorian Chief Health Officer will be expanding the mandatory use of face masks indoors to limit the spread of coronavirus (COVID-19) within the population of school settings. Although a date has not been set for expanded face mask requirements, there is a requirement for students in Years 3 to 6 to wear a face mask indoors at school, unless a lawful exception applies. Whilst not required, it is strongly recommended that students in Foundation to Grade 2 wear a face mask indoors at school.

Some of the expectations for face masks at school are:

- A face mask must cover the nose and mouth. Face shields, scarves or bandanas do not meet these requirements
- Face masks can be of different colours/patterns. To help reinforce our educational practice we would prefer masks not be disposable
- All face masks must be labelled with student's names
- Students are not required to wear masks at play or during sport
- Masks to be stored in the front pocket of student's bags when not in use
- Students encouraged not to handle masks. Hygiene education provided by teachers to reinforce appropriate behaviours

School Computers

If your child has borrowed a computer for Remote Learning, it is important that it is returned on their first day back at school.

All computers must be back on Tuesday, 26th October.

Please return computer and charger cord in the bag supplied clearly marked with your child's name. The computers will then be inspected upon return. Thank you.

Don't forget to send in your **daily**

Wellbeing and Resilience

As part of my Wellbeing role, I am available to meet with children on a regular basis to talk about any issues or concerns they might have and to discuss some strategies that could help.

The sessions are delivered to individuals or in small groups of 2-4 children, depending upon need. The sessions aim to build self-esteem and an awareness of feelings and emotions. We do this through discussion, art, mindfulness and meditation.

I am also trained to run the *Seasons for Growth* program. This is a grief and loss education program that draws on the metaphor of the seasons to understand the experience of grief. It builds the knowledge and skills necessary to strengthen social and emotional wellbeing following significant loss by:

- exploring the impact of change and loss
- learning about effective ways to respond and adapt

Participants learn that they are not alone in their experience of change, loss and grief, and are able to build their communication, decision making and problem-solving skills within the context of a safe and supportive peer group learning environment.

If you would like your child to participate in these sessions or you would like more information please contact the school office and I will get in touch with you.

WELCOME TO OUR FAITH

CORNER

What is a crucifix? What is a cross? Why do Christians use this symbol (apart from the obvious)?

These are questions all of our classes have, or will be thinking about.

Crucifixes are such a common sight in Christian schools and places of worship that we can tend to take them for granted. Our children are being challenged to not only find out about the meaning of crucifixes and crosses, but to think what they might mean to them. Even those of other faiths or no faith can think about what the common universal meaning of a cross might be.

All of the children will be designing their own personalised crucifix and these will be blessed by Fr Michael later in the term.

Some types of crucifixes

Millie says: "I put these things on my cross because God made them. It's an animal cross. My cross tells me to look after animals."
