*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.
We pay our respects to their elders past, present and emerging. We extend that respect to all people.
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

Sometimes parents want to alter the arrangements about picking up children after school.
Please try and make these arrangements in the morning so that you can explain to your child the arrangements.

A key ring on your child's school bag is a good idea. This lets them know what is happening at the end of the day—carline, bus tonight, pick up outside classroom.

DON'T FORGET TO DOWNLOAD THE SIMON EVERYWHERE APP

We are simplifying our communication process at St Brendan's.

The **SIMON Everywhere** App is now available to parents of St Brendan's.

From 2022 we will no longer use SkoolBag as our alert message system. All communication will be via **SIMON Everywhere** and your **PAM** account. Get started now, download the App!

Dear Families and Friends,

This week has provided plenty of joyful moments across the school. Not least the fact that our students continue to interact beautifully with one another in and out of the classroom. Teachers have been efficient in their delivery of the curriculum and we hope to see plenty of growth in the PAT testing taking place at the moment.

With the easing of restrictions we are excited to announce that the year six play will go ahead in week 9. Confirmation will take place with several family members attending and our year fives are off to Gumbuya World as a replacement for their camp. There is finally, plenty of activity for the kids to look forward to!

We will also conduct our School Captains/House Captains speeches for 2022 next week. This is an exciting time for our year five candidates as they develop their leadership mindsets. We will announce the elected captains next week.

Building Confidence is Important for Pre-Teens and Teenagers- **<https://raisingchildren.net.au/>**

Confidence helps teenagers feel they can make safe, informed decisions and avoid people and situations that aren't right for them.

If your child is confident, they're also **more likely to be assertive, positive, engaged, enthusiastic and persistent.**

Teenagers with low confidence are less likely to join in activities, more likely to hold back in class, and might be more willing to give in to peer influence. When a teenage child lacks confidence, they might expect to fail at things they try, or they might not try as hard when things get tricky.

For example, a confident teenage child who has friendship problems might be upset for a little while. But then they might realise that they can bounce back from the sadness they're feeling and focus on the positive aspects of their life, like other friends and family. A less confident child might be more upset or feel that the problems are all their fault. This could affect their self-esteem and leave them feeling that they aren't worth being friends with.

Here are some tips for building confidence in your child.

- **Be practical**
- **Give your child opportunities to try new things**
- **Encourage your child to keep trying**
- **Model confidence in your own ability**
- **Encourage your child to act confident**
- **Practise social skills**
- **Praise your child's efforts**

Foundation parents, we are looking for help in setting up the hall for the Year Six Graduation ceremony. The ceremony takes place on Tuesday, 14 December. If you can assist please phone the school office on 51552712. We are aiming to make this a tradition.

We are also hoping to have a family afternoon barbecue on Friday, 10 December. More details are to come, but please keep the afternoon free. It is important that we run the traditional year six students versus parents soccer match.

Kind regards,

Matthew Hamer

Face Masks – Primary Students

There is a requirement for students in Years 3 to 6 to wear a face mask indoors at school, **unless a lawful exception applies**. Whilst not required, it is strongly recommended that students in Foundation to Grade 2 wear a face mask indoors at school.

Some of the expectations for face masks at school are:

- A face mask must cover the nose and mouth. Face shields, scarves or bandanas do not meet these requirements
- Face masks can be of different colours/patterns. To help reinforce our educational practice we would prefer masks not be disposable
- All face masks must be labelled with student's names
- Students are not required to wear masks at play or during sport
- Masks to be stored in the front pocket of student's bags when not in use
- Students encouraged not to handle masks. Hygiene education provided by teachers to reinforce appropriate behaviours

Year One Camp Experience

Rain, wind and giant puddles were no deterrent for our intrepid Year One students, as they excitedly took part in our Year One camp experience. Here is a little feedback on each of the activities the children undertook.

Harrison: I liked playing *Rock, Paper, Scissors*. It was exciting! The leaders told us what to do on *Rock, Paper, Scissors*. They helped us do the right actions.

Chloe: I liked making the bugs out of fruit and vegetables. I had raspberry on it and grapes. I had fun.

Bella: I liked making muffins because it was fun and I like to cook. They were yum and healthy. They had carrot and apple.

Eli: The mandala was kind and beautiful because we had music. You got to draw with gel pens and I drew a beautiful tree.

Thank you to our wonderful school captains for giving up your time to help!

WELCOME TO OUR FAITH

BOOK FAIR 2021

Monday 22nd November till

Tuesday 30th November

St Brendan's will be running a low contact book fair by adapting the usual Book Fair tradition with a focus on a **Class by Class preview and /or a Virtual Book Fair**. We will be treating the fair as an incursion, which will really excite the children as they are missing out on so much through excursion and sport cancellations. There has never been a better time to have quality books and activity titles at home when we are all encouraged to practice physical distancing.

Parents will not be able to attend the fair. Our focus will be on student previews/wish lists and directing parents to the online payment platform.

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

TO CHECK

Check the scalp for insects or eggs.
Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) - this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7-10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.

At St Brendan's we live, work and play by the 3Rs every day.

Respect for self by:

Interacting in my school community with all teachers, staff and students every day in a positive way and with pride.

Respect for others by:

Greeting all people in our school community in a friendly and polite manner and taking into consideration the safety and learning of others by displaying positive actions towards helping them to learn and feel safe.

Responsibility for all your actions by:

Making good choices, considering the safety, feeling and impact of my actions on others.

A reminder that the car park at the front of the school and the church are **NOT** drop off zones. If you enter these car parks you **MUST** walk your children into the school. **DROP OFF ZONE** is via the Mary MacKillop Hall carpark only. The Disabled Parking spaces are only for people with permits. Thank you.

Wellbeing and Resilience

As part of my Wellbeing role, I am available to meet with children on a regular basis to talk about any issues or concerns they might have and to discuss some strategies that could help.

The sessions are delivered to individuals or in small groups of 2-4 children, depending upon need. The sessions aim to build self-esteem and an awareness of feelings and emotions. We do this through discussion, art, mindfulness and meditation.

I am also trained to run the *Seasons for Growth* program. This is a grief and loss education program that draws on the metaphor of the seasons to understand the experience of grief. It builds the knowledge and skills necessary to strengthen social and emotional wellbeing following significant loss by:

- exploring the impact of change and loss
- learning about effective ways to respond and adapt

Participants learn that they are not alone in their experience of change, loss and grief, and are able to build their communication, decision making and problem-solving skills within the context of a safe and supportive peer group learning environment.

If you would like your child to participate in these sessions or you would like more information please contact the school office and I will get in touch with you.
