Thank you to all that supported the Baker's Delight Fundraiser. Special thanks to Baker's Delight for your continued support and donation to our school.

Dear Families and Friends,

This week we conducted our School Captain and House Captain elections for 2022. The students prepared speeches with the help of their teachers and they delivered them in front of their peers. Congratulations to all candidates, we were proud of their performances. Next year we look forward to working with:

**School Captains: Tulli McLeod and Daniyal Kashif**

**Indigenous School Captain: Jaxom Hooper-Byrne**

**Blue House Captains: Lucas Hanckel and Connor Guillot**

**Green House Captains: Lachlan Ymer and Sadie Stevens**

**Red House Captains: Kye Piper and Sophie Lina**

**Yellow House Captains: Jade Frost and Lily Mills**

All other students will take on roles in 2022 as Events Leaders, Environment Leaders and Social Justice Leaders. Badges will be presented to students at the first assembly of 2022.

A huge well done to the students and staff of year six who produced the play 'Fleeced' this week. It has been a turbulent year and producing this event has been incredibly difficult. All those who saw the play commented on the great performances and good humour. It has been a wonderful way for our graduating class to finish.

**Warmth, care and positive attention in strong families-** <https://raisingchildren.net.au/>

Being warm, caring and affectionate with your child helps to build [strong family relationships](#).

[Positive attention](#) is also important for building strong relationships in your family. This is the way you show interest and delight in your children and what they're doing. Positive attention builds connection and shows your children that you're available when they need you.

#### **Tips for creating warmth, care and positive attention**

Here are some suggestions for creating warmth, care and positive attention in your family:

- Tell your children how much you love them, and look for opportunities to tell them you're proud of them.
- Smile and look into your children's eyes when you talk to them.
- Show physical affection when you can.
- Look out for opportunities to [praise and encourage](#) the people in your family when they do something well or something kind for others. For example, 'Harriet, thank you for unpacking the dishwasher this morning – it was a big help'.
- Create opportunities for special one-on-one time, doing things you all enjoy. Why not make this special time part of your family routine?

Children from warm, caring and affectionate families get along better with other children and teachers, and are less likely to have conflict with others. Also, plenty of attention and affection makes children feel special, which can help them deal with life's ups and downs.

We can't wait to spend the afternoon of Friday, 10 December together as we send out the year with a bbq, class visits and the infamous year six versus parents' soccer match. Please register your attendance with the office. See you here from 4.30pm.

Kind regards,

Matthew Hamer

## Virtual Interview using PAM (Parent Access Module)

Parent Teacher Interviews  
Click here to Enter

We recommend using Google Chrome as your browser when using Google Meet

1. Login to **PAM** with your email address and PAM password. Once PAM has loaded, click on the Parent Teacher Interviews tab.
2. Click the link labelled '**Click here to join interview**' when it is your allocated interview time.
3. If it is your first time using Google Meet on your browser, you will be asked if Google Meet can have access to your microphone and camera. Click Allow on the pop-up that appears
4. Before your interview, it is a good idea to check your camera and microphone are working. Please ensure your microphone and camera are not muted as shown when the buttons are highlighted red.
5. If you have issues with your microphone, speakers or camera, please check you are using the correct input device by clicking on the three vertical dots in the bottom right corner, then Settings. From this menu you can also test your speakers and microphone to make sure they are working correctly.
6. Once it is your scheduled meeting time and you are ready to go, type in your full name and click Ask to join OR if you're already signed into a Google account, just click Ask to join.
7. Please DO NOT click 'Join Now' to enter a Google Meet before your booked time. All interviews start at fifteen minute intervals and each interview will go for approximately thirteen minutes.

*This is our first time using the virtual interview system with PAM. Fingers crossed there will be no problems. Please call the school on 51552712 if you are having issues.*

# *Congratulations to our Confirmation Candidates*

**Well Done, Year 6!**

## Year Four Music Video

Gippsland Lakes Complete Health worked in partnership with St Brendan's Catholic Primary School and the Goodworthy production team on a music video. The aim of the video is to build awareness and give children a voice around the importance of caring for our planet.

Year four brainstormed lyrics, designed images and suggested actions as part of the process. As a 'Resource Smart School' we were proud of the knowledge the students have gained over the years on sustainability and the impact of their actions. Students participated in nearly two days of filming and are patiently waiting for the editing process to be completed by Goodworthy production company.

By Mrs Graham and Mrs Mills.

# WELCOME TO OUR FAITH

## CORNER

### **ADVENT WEEK 2: Love**

The feeling of being loved is a basic human need. It isn't always easy, but the rewards are worth it. During Week 2 of Advent, think about how you show love to your family, friends, local community and those who really need it in our world.

*One way that we practise showing love to others is by being part of the local East Gippsland Community Christmas Appeal. You should all have received a note about this and we really encourage you to use the appeal as a way to teach your children about giving, even when we don't know the recipients. We may never hear them say thank you, but we trust that we are helping make someone's life a little easier. This is an important part of the Catholic Christian tradition and the traditions of other groups in our community.*

The 2020 Social Justice Leaders and some of last year's hampers

**CONGRATULATIONS** to our students who received the Sacrament of Confirmation last Friday evening. They stood up proudly to confirm their faith and we pray they will continue to grow in the gifts of the Spirit.

We were all very happy to finally meet Bishop Greg. He impressed with his kind and friendly manner and we look forward to perhaps seeing him more next year.

# UNIFORM

This is an important requirement and must be worn by every child each day.

**Your support in this matter is paramount to its effectiveness.**

We pride ourselves on our uniform and need the support of all families in ensuring that this policy is strictly adhered to.

## Thank you for helping make our 2021 Book Fair a success

The school would like to thank you for the generous support towards our book fair.

A Scholastic Book Fair is a unique and rewarding experience and is the best way to support your school reading program and acquire much-needed resources for your school. The school receives a commission from the sales and this year we sold \$3665.00 worth of books.

This entitles the school to spend \$1099.00 on new books and school resources.

*Please know how much you've helped our students and how much we all appreciate all your support.*

## Face Masks – Primary Students

There is a requirement for students in Years 3 to 6 to wear a face mask indoors at school, **unless a lawful exception applies**. Whilst not required, it is strongly recommended that students in Foundation to Grade 2 wear a face mask indoors at school.

Some of the expectations for face masks at school are:

- A face mask must cover the nose and mouth. Face shields, scarves or bandanas do not meet these requirements
- Face masks can be of different colours/patterns. To help reinforce our educational practice we would prefer masks not be disposable
- All face masks must be labelled with student's names
- Students are not required to wear masks at play or during sport
- Masks to be stored in the front pocket of student's bags when not in use
- Students encouraged not to handle masks. Hygiene education provided by teachers to reinforce appropriate behaviours
