Dear Parent/Guardian,

RE: End of the 2021 School Year

At the end of another turbulent year we finish with our heads held high. I can see that staff and students are weary and need a good break, having said that, I could not be more satisfied with the standards we have maintained.

Over the course of the year there have been obstacles and changes like we have not seen before, our staff have remained focused on the needs of the students and have provided learning experiences that are diverse. They have worked long hours to do so in ever changing circumstances. Inside the office, our administration staff have worked tirelessly to maintain strong communication and manage each new week. Our students have responded in a manner that we are all proud of, sticking to tasks and progressing in their studies. Watching the students play each day, they are so happy to be together and they consistently model the three Rs. We have a wonderful culture at St Brendan's and I thank all these people for taking such pride in their work.

We haven't seen you, our parents/guardians much at all this year, but your support is felt. We realise that you also have faced many challenges and I would like you to know that the partnership we enjoy gives our staff great confidence. Thank you all. Hopefully, these challenges are behind us and we can look forward to better times ahead.

This year we farewell Claire Garbutt and Bethany Wealands, two ex-students who took up education support positions in 2021 and have far exceeded our expectations in their work. Mike and Jenny Ryan are retiring after many years with St Brendan's CPS having given so much to the students in their care. Mike also leaves the legacy of the Stephanie Alexander Kitchen Garden program and the Indigenous Garden. Resources that we will care for and enjoy for years to come. Jodie Clifford is leaving St Brendan's to be closer to her son in NSW. Jodie has devoted 20 years to our school and has played a huge role in maintaining the positive culture we have here. Her high standards are an example of what we strive for in our work. Pauline McAteer will take LWP for the 2022 year. We wish all these wonderful people the very best in the next chapter of life and thank them for their enormous contributions.

Next year, we welcome Melissa Terry to our teaching ranks. Melissa has gained valuable skills and knowledge in her studies and practicums and will offer our school a great deal. We are very excited to welcome Melissa to our team.

Yesterday we fare-welled our graduating year six classes. We are immensely proud of this group of young people. The way they have led our school and maintained a strong work ethic throughout the year is a credit to them and their families.

GUMBUYA WORLD - Harrison Walker

Gumbuya World! It got announced in class. "Yay" everybody screamed.

Year five was set to go to Sovereign Hill, but our camp got cancelled so we got to go to Gumbuya World, on Monday the 13/12/2021.

The bus ride to Gumbuya World was long so we stopped at Rosedale for a quick snack break.

When we arrived at Gumbuya World we went in and put our backs in the eating area so we could come back and eat lunch and get changed.

Our first section to explore was the animal section. We got divided into our groups and got some food to feed some animals. We fed rabbits, chickens, ducks and a deer with no horns. Next, we looked at some owls and some different types of birds.

After that, we went to look at the kangaroos and used our leftover food to feed some of them and pat them. One of the kangaroos had a joey in its pouch. After that we went into the bird cage and looked at the different types of birds and some peacocks.

When we left the animal section we went to the theme park section. We had to get into pairs or groups and could go around and hop on some rides.

There was a speed roller coaster that went crazy fast around corners and up hills.

There were Bumper Cars, a Pirate Ship that rocked back and forward, and a car that did the same. There was a log spin where you got into pairs and hopped into seats. When the ride started it would spin in circles making you fling around in the seat really fast.

There was a lazy river where you could just float on a tube around the river.

After we left the rides we went to have lunch. We had to order two weeks before we got there.

There was a choice of salad, hotdogs, chicken wrap or nuggets and chips.

When we finished lunch we went to the water park section. We got in groups or pairs and went around to the different rides. The rides were a Lazy River, where you got onto tubes and floated around under bridges and through some waves. There were really big water slides and the lines were super long. There was a race slide where you got this body board and raced your friends down a slide. A wave pool where a machine made waves and you could body surf. A water playground where there were water buckets that dumped water on you and there were pumps you could pull to make water come out of the top. There were also water slides at the top that were super fun to go down.

In my opinion everyone should have a go on; The Bumper Cars, Roller Coaster, Tree Log, Rush Hour, Race Slide and the water playground. My personal favourite was the Lazy River. I think the worst part was waiting to get in because it's so much FUN!

My rating

Gumbuya World

- Blake Davidson

When we got on the bus I sat at the front with Mike Park and we chatted all the way to Gumbuya World. At Gumbuya World there were koalas, cockatoos and peacocks.

There was a place where we could feed rabbits, calves, chickens and parrots. Next, we went on some rides. There was a roller coaster and something that goes around and around three times.

Then we had some lunch. I had a hotdog and chips with tomato sauce. Then we went to the wet area. I went on the Lazy River, then I went to the wave pool. I also went to the top of the water slide and waited in line for a long time. I wasted some of the playtime I had and I accidentally made us late.

The teachers looked all around the wet area and took the lift to where I was and then we had to go to the bus. Later we stopped at McDonalds and I had an apple juice and chips then we went home. The End

Sometimes parents want to alter the arrangements about picking up children after school.

Please try and make these arrangements in the morning so that you can explain to your child the arrangements.

A key ring on your child's school bag is a good idea. This lets them know what is happening at the end of the day—carline, bus tonight, pick up outside classroom.
