Newsletter No 4
February 24, 2022

*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.
We pay our respects to their elders past, present and emerging. We extend that respect to all people.
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

THE OFFICIAL SCHOOL HAT IS COMPULSORY and is to be worn by every child during all outdoor activities in Term One and Four. Please name your child's hat.
Hats available for purchase at Nick's Clothing, Bairnsdale.

No Hat - No Play

Rapid Antigen Tests (RATS) are available for pick up from the school office. To support current COVIDSafe Measures, the Victorian Government has ordered 24 million Rapid Antigen Test (RAT) kits to continue surveillance testing of staff and students. Testing settings for all primary and secondary students and staff will remain in place until the end of Term 1 2022. **It is recommended that students and staff undertake twice-weekly at-home testing.**

Collaborative Conferences: Booking through PAM (Parent Teacher Interviews)

Virtual Collaborative Conference interviews will take place on

- Monday, 28th February 3.30pm-5.30pm (Unavailable for Yr 4 Blue & Yr 5 Red)
- Tuesday, 1st March 3.30pm-5.30pm
- Wednesday, 2nd March 3.30pm-5.30pm
- Thursday, 3rd March 3.30pm-5.30pm (Available for Yr 4 Blue & Yr 5 Red)

BOOK NOW!

Our Semester One Collaborative Conferences are an essential parent/school meeting in which to share feedback and to plan for future learning. Your child must attend this meeting as they will lead some of the discussion. Through this process we want our students to understand themselves as learners, to know what they are learning and how they can be successful. We look forward to meeting with you.

Collaborative Conferences will be booked electronically using PAM.

Please login to PAM as normal and you will immediately see a screen including the **Parent Interview** short cut.

Once you click on the window you will be given the chance to select your child. The screen would be similar to the one below.

You select your child one at a time.

In accordance with requirements from the Victorian Government, **all staff and students in Grades 3 to 6 attending St Brendan's Catholic Primary School are required to wear a face mask when indoors**, including when travelling to and from school on public transport, taxis or ride share vehicles and when attending Outside School Hours Care (OSHC) programs, unless a lawful exemption applies.

It is strongly recommended that students in Foundation to Grade 2 wear a face mask indoors at school or when attending OSHC programs.

Parents, guardians and carers are required to supply their child(ren) with an appropriate face mask that covers the nose and mouth. Appropriate face masks include single use face masks (commonly called surgical masks). Face shields, scarves or bandanas do not meet the requirements of an acceptable face mask.

All visitors, including parents, guardians, carers and children in Grade 3 and above must wear a face mask in all indoor locations at the school, unless an exemption applies.

District Swimming Sports

Last week, we had our first district swimming carnival. After a long trip to Orbost, we finally arrived at our location. The 9 and 10 year olds were up first. Then, the boys freestyle. We had many swimmers compete in all the races and everyone should be proud of how well they swam. There was a great team spirit on the day. When we packed up our equipment to get back on the bus everyone was in good spirits and said how much they enjoyed the day. We look forward to seeing who made it to the next level.

Chinese: Mandarin

2022

中國人

2022 is the fourth year of learning Chinese at St Brendan's Primary School. Specifically, our language focus is Mandarin, one of the main dialects of Chinese. It is the most widely spoken language in the world, not only in China, but many other Asian and Western countries.

Curriculum

- Encompasses both **language** and **culture** components.
- Aligns with the **Australian Curriculum** and **Victorian** state specific curricula for **Language** and **Intercultural Understanding**.
- The curriculum is broken down into **four modules a year**. The first three modules introduce new content whilst the fourth module of a year is a review of the phrases taught and has a focus on grammar and sentence structure.
- Involves development of :
 - Spoken language (articulation: pronunciation and tone)
 - Reading (Pinyin and Characters) Pinyin: is the standard system of Romanised spelling for transliterating Chinese.
 - Writing of Chinese characters and pinyin
 - Cultural awareness (not assessed)

Term 1 2022

The new modules for each year follows a progression of your child's learning. They are structured to build on students prior knowledge to develop language complexity.

- **Foundation:** hello (Nǐ hǎo), goodbye (Zàijiàn), I/me (Wǒ), my name is,(Wǒ jiào..) thank you (xiè xiè nǐ), you're welcome (bu kèqì) cat (māo), dog (gǒu), rabbit (tùzǐ), fish (Yú), I have (Wǒ yǒu..), I don't have (Wǒ méi yǒu)
- **Year 1:** hello, goodbye, student (Xuéshēng), teacher (lǎoshī), *colour words*, I like (Wǒ xǐhuān), I don't like (Wǒ bù xǐhuān), *counting items (ge)*
- **Year 2:** hello, goodbye, my name is, go to class (shàngkè), finish class (xiàkè), this is.(zhè shì), drinking (hē), *drinks*, I like, I don't like
- **Year 3 and 4:** *family members*, my friend (Wǒ de péngyǒu), who (shei), to play (da), to kick (ti), *sporting activities*—(cricket, AFL, soccer, swimming, basketball, tennis, rugby, ping pong) I like, I don't like
- **Year 5 and 6:** I am..(Wǒ shì), days of the week (Xīngqí...), Verbs— to cook, go to school, to rest, go to work, watch tv, watch a movie, to read, to do homework.

A list of Chinese vocabulary words can be provided if you wish to help practice

Chinese at home with your child.

STEM

$F = ma$ H_2O $E = mc^2$ $2 \times 2 = 4$ $\pi = 3.141$ $I = \frac{U}{R}$ $2 + 5 = 7$

The word "STEM" is rendered in large, colorful letters (S in red, T in green, E in blue, M in yellow). The letters are surrounded by various hand-drawn icons and mathematical symbols representing science, technology, engineering, and mathematics, including a rocket, a lightbulb, a brain, a globe, a beaker, a planet, a gear, a computer monitor, a wrench, a triangle with trigonometric symbols, a circuit board, a microscope, a DNA helix, a hand holding a pencil, and a lightning bolt.

It is with eagerness that I am writing the first STEM article for our newsletter. STEM is our new specialist subject and it stands for Science, Technology, Engineering and Maths. This subject encourages students to apply knowledge, test ideas, problem solve and take all outcomes as a learning experience. The year has already taken off with a flurry of scientific questions and students applying their problem solving skills.

Throughout the year we will continue our engineering and science challenges but will also investigate different digital technology such as laptop, beebots, sphero drones and ipads.

Currently the younger grades have been tasked with creating a wind powered boat. All students have risen to the challenge and created their boats by using a selection of materials.

Our senior students are in the process of building a device to protect an egg that is to be dropped from a height. They had to consider all the knowledge they have about eggs, building, forces such as gravity while constructing their egg protection device. Students are waiting eagerly to see how their builds will hold up to the big drop in the next few weeks.

REMINDER: ART SMOCKS

Can students please bring in their art smock if they haven't already this year. It's much more hygienic for students to have their own smocks rather than use the spare ones we have. Thanks

All bike and scooter riders are required to wear a bike helmet in Victoria. Students must wear bike helmets when riding to and from school.

As we journey through life, we will all be blessed with the people we meet. Sometimes, we won't realise just what a blessing someone is until they are gone. Then we will reflect, as our staff has this week, on characteristics and qualities that will be missed. Qualities and characteristics such as a warm and ready smile, a self-deprecating joke, a gentle soul, a creative spirit – a proud Gunai Kurnai man! Let us remember the good times and give thanks for and rejoice in a life well led.

**May the God of creation warm your heart like the campfires of old
Bring wisdom and peace as shown to the first peoples of this land
Shake off the dust from the desert plains by the refreshing rains
Followed by the glow and warmth of the sun
Let the light of God show us the right path and stand tall like the big
River gums drawing life from the ever flowing waters.**

GUITAR / UKULELE TUITION, St Brendan's Primary School, Teacher: Jim Allen

Guitar lessons are continuing on Tuesdays at St Brendan's Primary School.

Jim aims to create fun and engaging music sessions for students through singing, rhyming and playing songs. Students will learn a small amount of music notation and theory through activities and instruction. Students will learn to play the guitar and ukulele in a solo setting and within groups.

Lessons are \$10 for 30 minutes, costs being added to school fees. Students will learn the guitar in small ability levelled groups.

Learning the guitar involves regular practice of 30 minutes several times a week. It is preferable that students have a guitar. If not, you can purchase a guitar through school at cost price. Please see Jim for information.

Please contact the office if you are interested in your child taking part in guitar lessons.

Seasons For Growth

Seasons for Growth's founders recognised a need within the community to provide a high-quality evidence based Australian education program to support children and young people who were struggling with experiences of change, loss and grief. In the mid-1990s, the Sisters of St Joseph responded to this need by supporting the development of a small group, peer-based loss and grief education program – *Seasons for Growth*.

Good Grief's work embodies the spirit of *Mary MacKillop*; a woman for all Australians.

Our work is motivated by Mary MacKillop's principle, "Never see a need without doing something about it."

From post program research, children report value in

- Knowing they aren't *the only ones*
- Learning to understand and attend their feelings
- Being allowed to express their feelings without being ashamed of them
- The peer support system – learning to trust in others and be trusted
- The opportunity to voice and make sense of their own story
- Learning that the overwhelming feelings of grief and loss won't last forever
- Being supported to learn about choices and decisions
- Being encouraged to identify and engage in social networks

As a result of the program participants say they are able to

- Seek support from the companion outside the formal process of the program when necessary
- Form friendships and support networks with others in the program
- Communicate better with their parents and siblings
- Understand that life moves forward and that changes do happen
- Cope better with their emotions

<https://www.goodgrief.org.au/about-us>

Last year I was fortunate to have the opportunity to train to be a *Seasons For Growth* companion, as is *Debby Milburn*. I am keen to run a group this year, so if you think your child/ren would benefit, please contact the office or myself at school. Helen (Renehan)

Simon Everywhere is now available on App Store and Google Play.

Your school has joined the growing Simon Everywhere community. By installing the Simon Everywhere app, you will be able to receive push notifications direct to your phone. Plus you will have easy access to all of the great PAM features, such as Assessments, Reports, Activity Permissions and more.

- Search "Simon Everywhere" on App Store or Google Play and install the app
- Launch Simon Everywhere and register with your name and mobile number
- Click Add School and locate your school from the list
- Enter your existing PAM credentials

Catholic Identity and Religious Education Survey

This year St Brendan's are going through the school review process. This process is an important element of the ongoing improvement of St Brendan's School. I invite you to complete this survey as it will help us look at what we are doing, identify school practices to be maintained and strengthened, and opportunities to be addressed moving forward. The survey is easy to complete (8-10 minutes long).

As a parent, you have an important perspective to share. Please answer each question, rating your response on the five-point scale. Responses are anonymous and will assist the school in its school review.

The link for your survey can be found on an email sent via PAM.

Please contact the school office if you require another link sent. Thank you

A reminder that the car park at the front of the school and the church are **NOT** drop off zones.

If you enter these car parks you **MUST** walk your children into the school. **DROP OFF ZONE** is via the Mary MacKillop Hall carpark only. The Disabled Parking spaces are only for people with permits. Thank you.

Social and Emotional Wellbeing

As part of my Wellbeing role, I am available to meet with children on a regular basis to talk about any issues or concerns they might have and to discuss some strategies that could help.

The sessions will be delivered to individuals or in small groups of 2-4 children, depending upon need. The sessions aim to build self-esteem and an awareness of feelings and emotions. We do this through discussion, art, mindfulness and meditation.

If you think your child would benefit from these sessions or you have any questions please contact me at school.

Debby Milburn

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:
<https://www.education.vic.gov.au/about/program/Parent/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools this year.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

- Do you have a current health care/pension card?
- Did you know you can get a discount on school fees?
- Please contact the school office for more information.

Uniform Reminders:

JEWELLERY is restricted to the following - a wrist watch, no more than one matching pair of studs or sleepers, a religious medallion on a chain to be worn under clothing. Fashion jewellery, make-up and nail polish are not permitted.

HAIR is to be kept neat and tidy at all times. Hair longer than collar length is to be tied back from the face. Headband, hair ties, ribbons, scrunchies and clips must be blue, black or brown.

It is not appropriate for children to come to school with dyed or inappropriate hair styles as deemed by the Principal.

REMINDER: NO SMART WATCHES AND DEVICES AT SCHOOL

Smart watches that allow communication via SMS, email or phone call cannot be worn at school with the same rules applying as with a mobile phone.

At St Brendan's students may only bring mobile phones/devices/ SMART Watches to school if there is a need for them to contact their parents either before arriving at school or in the afternoon after leaving school. Upon arrival at school the phone/ device/ SMART Watch is to be checked in at the school office where it will be turned off and kept securely for the day. It is the child's responsibility to collect the phone/ device/ SMART Watch at the end of the day. Parents with an urgent need to be in contact with their child during the day should contact the school office and appropriate steps will be taken to pass on the message.

UNIFORM

This is an important requirement and must be worn by every child each day.

Your support in this matter is paramount to its effectiveness.

We pride ourselves on our uniform and need the support of all families in ensuring that this policy is strictly adhered to.
