Newsletter No 18

June 17, 2022

We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.

We pay our respects to their elders past, present and emerging. We extend that respect to all people.

We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.

WOW, WHAT A FUN DAY! SPECIAL LUNCH, DRESS UP AND DISCO!

Dear Families and Friends,

Last week St Brendan's Catholic Primary School had a panel of reviewers visit our school for three days. During these three days the panel interviewed staff, students and parents asking about the practice of our school. The panel also looked into our planning documents and assessments tools. At the conclusion of the three days the panel provided their report which measured our school's processes against the National School Improvement Tool and the Catholic Identity and Religious Education Tool. We were thrilled to receive an overwhelmingly positive report. We rated High to Outstanding in almost all categories, the standouts being in the areas of:

- A Culture that Promotes Learning
- Targeted Use of School Resources
- Differentiated Teaching
- Effective Pedagogical Practices

It was wonderful acknowledgement that we are on the right track to improving outcomes for students. I am very proud of our staff and the commitment to education that they show each day. Walking through our school at any time the learning taking place is clearly evident and I was thrilled that their work has been validated by a group of visiting experts.

Youth Anxiety - <https://lakesent.catholic.schooltv.me>

Anxiety disorders can start early in childhood or adolescence. It may only have a moderate impact on a child's ability to function in daily life and can therefore often remain undetected. If a child finds it extremely difficult to control their anxiety, then you should seek help or medical assistance.

"Untreated anxiety disorders in children can lead to more serious issues in adulthood. Parents need to educate themselves so they can identify the symptoms early."

Dr Michael Carr-Gregg

What is anxiety?

Many parents are confused about the nature of anxiety and especially, when to really worry about it. Anxiety refers to feelings of worry, nervousness, or a sense of apprehension, typically about an upcoming event where the outcome is uncertain, or where a young person feels he or she might not be up to the task.

The Australian Psychological Society (APS) defines anxiety as 'commonly experienced in high pressure situations, for example, prior to a making a speech or sitting an exam. Feelings of anxiety can also arise following a stressful event, like an accident where the person is left feeling shaken. Anxious feelings are usually accompanied by physical sensations such as a churning stomach, light headedness, and a racing heart.'

Well done to our boys' soccer and our AFL team who competed in the Division Winter Carnival last week. They came up against some tough opposition but they played well and came away with some good experiences. Our girls' soccer team plays in Sale at the Regional Carnival on Wednesday, 20th July. Go girls!

We finish the term with a big week next week. Year six are off to their Melbourne camp on Tuesday and year five will conduct the Golden Honour Card assembly on Friday at 9.10am in the Mary MacKillop Hall. Parents, please remember school finishes at 2.15pm on Friday, 24 June.

Kind regards,

Matthew Hamer

Division Soccer

By Daniyal & Caleb

On Friday 10th of June, two winter sports teams made it through to Division Winter sports. We were playing soccer.

We first went on a bus to Bairnsdale. When we got there we just did some practising because we weren't playing until later. When it finally was our turn to play a game, we were against Eagle Point Primary School. When the game started nobody was getting any goals. However, after half time, Eagle Point scored two goals and we unfortunately didn't get any but we did get close. Next we were against Gippsland Grammar. We scored a point after half time. However, in the last two minutes, Gippsland Grammar scored a point against us! When the timer went off, it was a tie.

Even though we didn't win or make it through to District level, we tried our best and it was a great game.

Football Division Winter Sports

By Tulli & Sadie

On Friday the 10th of June 2022, we had Division Winter Sports. Football was played at the Bairnsdale Football Oval. We played 2 games, the footy people tried their very best. Unfortunately we did not get through to the District level as we lost both games. A big thank you to Mr B, our assistant coach Sadie and all the footy players – You all did fantastic!

SPECIAL REPORT: Building Resilience Post Pandemic

Unfortunately, the mental health of young people has been significantly impacted by the pandemic. As many families settle back into pre-COVID routines, there seems to be a pervasive sense of optimism about what lies ahead.

Unfortunately children and teens are not immune to what is now being termed the “psychological pandemic”. Young people are at risk of not achieving the primary demands of developmental tasks such as procuring independence, identity formation, as well as obtaining and maintaining peer relationships. What kids need most in the current environment is support, understanding, empathy and encouragement from caring adults. They live up or down to the expectations we set for them.

If there is a panacea to the adversity caused by the pandemic, then it is the building of resilience. Resilience is the capacity to face, overcome, be strengthened and transformed by adversity. Never before, have parents needed the skills, the knowledge and the strategies to build resilience in their children as much as they do now. There are 7 integral and interrelated components that make up being resilient that can help young people thrive and develop healthy coping strategies.

This Special Report explores the “7 C’s of Resilience” and includes suggested strategies on how adult carers can best facilitate them. We hope you take a moment to reflect on the information offered, and as always, we welcome your feedback. If this raises any concerns for you, a loved one or the wellbeing of your child, please seek medical or professional help.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and St Brendan's is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 2nd September 2022.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

The Premiers Reading Challenge has an online recording system which is intended for students to enter their books at home.

Student wishing to participate, need to send Katrina an email at: kwykes@lakesent.catholic.edu.au
They will then be sent their username, password and details to access the online computer system.

WEEK ONE

Monday 27th: Movie day at school.

Come dressed in your PJ's. We will determine the movie closer to the day, once we have a vote. During the movie we will enjoy popcorn. Once the movie is finished children will engage in play and leisure activities of their choice.

Tuesday 28th: Eastern Beach Playground with sandcastle competition and Picnic lunch

We will walk down to Eastern Beach playground and enjoy some fun at the park. While there we will head over to the beach to have a sand castle building competition. Please pack a healthy snack and lunch for this day.

Wednesday 29th: Let's get creative! Art and craft day at the school.

Today the children will engage in a range of art and craft activities. They will be encouraged to dive into their creativity and imagination skills to create their very own masterpieces. These masterpieces will be on show.

Thursday 30th: Mini Golf and Picnic lunch

We will venture down to Footbridge Mini golf where the children will play 18 holes of golf and then be rewarded with an ice cream at the end. After mini golf we will walk to the rotunda and enjoy a warm lunch of hot fish and chips.

Cost: \$15pp

Friday 1st: Master Chef

Let's get our taste buds soaring and make some yummy food in the kitchen. Children will cook lunch for the day and snacks for afternoon tea. The menu will be decided by the children.

Cost \$5PP

WEEK TWO

Monday 4th: Cinema Visit

We will go by bus to Sun Cinema in Bairnsdale and then have a picnic lunch at the All Abilities playground. Children will need to bring a packed lunch and drink bottle for this day. Fruit will be provided.

Cost: \$30 Movie TBC

Tuesday 5th: Sea Shell Museum visit and picnic at the park

We will walk to the Sea Shell Museum on the esplanade and view the museum, railway and aquarium. Once finished there we will venture down to Apex park for a play and bbq lunch.

Cost: \$5

Wednesday 6th: Sports day

Let's get physical with lots of games and sporting activities. Children will engage in team sports, individual sports and games during the day. They will be encouraged to try different sports and have a go!

Thursday 7th: Buchan Caves

Come and experience the natural beauty of the Buchan Caves which is situated in Buchan. We will go through one of the caves on a tour with a tour guide so he will be able to answer all of your questions. After the tour we will have a BBQ lunch before heading back to school.

Cost: \$25

Friday 8th: Science Day!

Today we will turn into scientists and explore the weird and wonderful things in science. Why do chemicals react differently when combined? How does science work?

If you need to contact the Vacation Care directly, we can be contacted on

0493 364 179

PLEASE NOTE:

During the program children participate in spontaneous and planned cooking experiences which may include light lunch servings or afternoon tea items. On these days your child will still need to bring their own lunch and enough food to last the whole day.

PLEASE NOTE: If your child does not attend on a day they have been booked in, you will still be charged for the day unless 48hours notice is given for a cancellation.

****Please ensure that your child has a sufficient amount of food packed to keep them sustained for the day. We also encourage children to bring a drink bottle filled with water only. (Please refer to our Healthy Eating policy.)****

This program is subject to change depending on the following circumstances: *Covid-19 restrictions*, severe/code red weather, numbers of children and availability of extra-curricular activities. Prices for excursions may also change. Staff will notify you of any changes
