IMPORTANT APP UPDATE!

The SIMON Everywhere app has been updated in both the Apple and Google Play (Android) App Stores.

This new version of the app needs to be installed from scratch.

android

Uninstalling and Installing App on Android/Google Play Devices

- Select the current SIMON Everywhere app on your phone/tablet and hold your finger on the app.
- When the options bar appears, tap Uninstall, then click OK.

- Go to the Google Play Store, find the SIMON Everywhere App and "Install" this app.

iOS

Uninstalling and Installing App on iOS/Apple

- Find the current SIMON Everywhere app on your phone/tablet and hold your finger on the app.
- When the options menu appears, click Delete App, then click Delete.

- Go to the App Store, find the SIMON Everywhere App and "Get" this app.

IMPORTANT – Uninstalling and installing the app will require you to re-register within the app.

Please support our new endeavour to grant online consent via PAM for excursion notes etc.
To do this you need to update your child's medical profile.

Medical Profile Details

Please take a few minutes to complete all items on this medical form. All yes/no options will need to be filled out, and the Medicare details are also required. Use the navigation on the left hand side to track your progress, sections in Red indicate that not all responses have been completed, sections in Green have been completed.

Note remember to **SAVE** your changes (at the bottom of the form) to complete this medical form for the first time.

St Brendan's Op Shop has second hand school uniform available.

Winter clothing sale - \$1.00 per item

School uniform available \$3.00 per item unless otherwise marked

Open 10am-3pm

Tuesday, Wednesday & Thursday.

Sale Starts

Tuesday 13th September

Father's Day Breakfast

On the morning of Friday the 2nd of September, we had the Fathers Day Breakfast. Everyone came in their footy team colours. There were egg and bacon rolls and fruit platters on offer. We also had the raffle which turned out to be a huge success. The feedback from the dads was all positive and amazing. This week we had the options to buy something at the father's day stalls for our father figures.

On behalf of all the school, a massive thanks to Meaghan, Mr Hamer and all the staff for organising this event for us and our father figures. The food was delicious, the raffle was amazing, so all together Father's day Breakfast was a great way to bring the St Brendan's Community together!

By Ashita Chhabra And Lucy Hawkins

Father's Day 2022

St Brendan's State Champions Girls Soccer Team

We left school bound for Melbourne at 5am on Wednesday, 31st August. The State Championships for soccer were held at the Darebin International Sport Centre. Before we played we had a quick warm up and discussed our positions for the game. We played three games. The first game was really hard. By the end of the game we improved so much, but unfortunately we lost all the games. It was an amazing experience and a lot of fun. We are so grateful to have had the opportunity to progress all the way to State Championships. Thank you to all the different coaches we had along the way and a big thank you to Mr Hamer, Mrs Morrison, Mike and Jane for supporting us on the day.

By Bella Martin

Division Athletics

On Thursday, the 1st of September a number of students travelled to Bairnsdale to compete in Division Athletics. There were approximately 7 to 8 schools there.

Even though there were a lot of people that were good at athletics who were competing we all tried our best and had lots of fun. Good job to Lucy and Mitchell who made it to regionals and who will represent our school in discuss, shot put and 1500m. Also the 9/10 boys relay team made it through to regionals too. Good luck to those people and we hope you have a fun experience.

By Lily and Kye.

Gold Panning

Whilst on camp one of the activities was gold panning. There was a man who showed us how to pan for gold. We dug the rocks and sand out of the bottom of the creek into our pan. We moved the pan underneath the water and removed some rocks. The gold would stay on the bottom, because it was heavier and we were sometimes left with little flecks of gold. Some of us found flecks of gold and brought a small bottle to keep them in. We all enjoyed learning how to pan for gold and had a lot of fun. **By Cobie Gilbert**

Aura Light Show

One of the best activities we did whilst on camp was the Aura Light Show. The name might be confusing but I'll tell you what it means.

An Aura Light Show is an outdoor activity where you watch a story happen or it could be an indoor 3D theatre and a live action movie as well. It told us the story of how gold mining and panning evolved at Ballarat.

It was one of my favourite things that I experienced on camp. It lasted for around an hour and a half.

We also got from the 3D theatre to the Aura Light Show by a type of tram? It was a fantastic feeling! I really feel you should go to Sovereign Hill as well, it is so much fun and there are loads of activities to do there including the Aura Light Show!

By Anabelle Nelsson

Year 5 Camp - Sovereign Hill

Candle Dipping and Confectionery Making

During camp one of the exciting activities we all saw was candle dipping. Our whole class went into a small room and a lady demonstrated how to make and dip candles. She also explained how candles were made back in the 1850s. Some of our class paid to dip a candle in their favourite colours. We all enjoyed the experience and the history of candles.

After we saw the candle demonstration we made our way to confectionery making where we saw a man make Sovereign Hill 's most favourite sweet, the raspberry drops. He made a batch of raspberry drops and rolled them into the mould. He explained the process from start to finish of how they make the confectionary. In the end our class got to enjoy a sweet treat to end our fun experience.

By Mia Hamer

Year 5 Camp - Sovereign Hill

Gold Pouring

When we went to camp, one of the activities was watching the gold pouring.

We saw an Industrial Blacksmith talking about how he needs to put mercury and gold together into a 1200 degree furnace to make a 24k carat gold nugget. It took 1 hour to smelt, which is like melting the gold. He said he smelts the gold about 11 times a day. The nugget was donated to Sovereign Hill many years ago and costs about \$250,000.

By Nathan Nguyen and Lochie Yates

The Secret Chamber

Year five camp was awesome!

But one thing that I enjoyed the most was The Secret Chamber.

The Secret Chamber is underground, and you travel down by a fenced-off tram. Once you arrived in the chamber, we were with a staff member of Sovereign Hill. We were in a huge underground room, with many other rooms and tunnels connected to it.

It was an amazing experience to be down there and thinking of all of the miners and their lives way back in 1851, looking for gold. We went into this big room and on the rocks there was a hologram of a story about two Chinese brothers and their journey finding gold in the underground mines of Ballarat.

After watching and listening to the story we travelled by tram back to the surface.

By Aaliyah Jackisch.

Year 5 Camp - Sovereign Hill

Year 5 Camp - Sovereign Hill

Red Hill Mine Tour

At camp, one of the activities we all enjoyed was the Red Hill Mine Tour. We climbed down to a dark indoor track where we were underground. It was really cool, there were voices of a man guiding us through the mine. When we were almost finished there was a hologram of this fake person who looked very realistic, he was doing a replica of what gold mining was like back in the 1850s. He was very lucky to find a gold nugget worth 10 thousand pounds. 10 thousand pounds in the 1850s was a really really huge amount of money. After that, we saw a replica of the biggest gold nugget ever found, it was found 60 metres under the ground! The Red Hill Mine Tour was a really fun experience for us all, and it showed us how much hard work it took to be gold mining with a very small chance of becoming rich.

By Sierra Lazzarotto

Jump and Climb

On our way home from Sovereign Hill, we stopped at Traralgon and went to Jump and Climb. When we entered the car park of Jump and Climb, everyone was getting really excited and they all tried getting off the bus first. We lined up to get our socks and waited to get through the gate to jump. When we got through the gate to jump everyone scattered around everywhere. Kids were at dodgeball and others were at the airbag jumping. By the end of our jumping we were all puffed out and we went to eat lunch on the gravel outside of Jump and Climb.
