*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.*

*We pay our respects to their elders past, present and emerging. We extend that respect to all people.*

*We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

## GOLDEN HONOUR AWARDS

## The Big Picnic

**Term 4 commences - Monday, 3rd October at 9.00am**

Dear Families and Friends,

We had a wonderful week of entertainment last week with our year six students presenting their play titled 'Jill and Fred's Most Hysterical, Historical Adventure'. The student performed so well as a team, playing their role on the stage, impressing all who attended. They projected their voices, sang with gusto, hammed-up their parts and kept the humour flowing. We were so proud of them! I would like to take the opportunity to praise the work of the year six teaching team in Danielle Mills, Melissa Terry, Kylie Curnow, Jenny Vogrig and Fiona Yates, they truly get the best out of this group of students.

### School TV – Positive Parenting

The mental health of today's young people is at an all-time low. Depression, anxiety and self-harm are sadly on the rise. Unfortunately, there are more risk factors than protective factors, facing young people growing up. To parent effectively, it is simply not enough to avoid the obvious dangers like abuse, neglect and overindulgence. Parents therefore, need to arm themselves with practical skills, knowledge and strategies when it comes to raising children. Numerous studies suggest that the best-adjusted children are reared by parents who find a way to combine warmth and sensitivity with clear behavioural expectations.

*"There is no such thing as a perfect parent. However, research shows that one of the most important protective factors in the lives of young people, is a close relationship with a supportive adult."*

*Dr Michael Carr-Gregg*

Our school's NAPLAN results were released last week. Although the State and National averages have not yet been released we have observed that the data indicates our school will be above the State average in several assessment areas. This is a target we have been aiming to achieve for many years and we are immensely proud to be able to share this with you. Our collaborative planning and differentiated teaching is taking our students to new levels of achievement. More information will be released as it comes to hand.

Today we enjoyed a lovely spring day at our Big Picnic. All of the students had a fabulous day and a big thank you goes to our year 6 Event Committee for organising the activities. I would like to take the opportunity to thank all our families for turning out in huge numbers to our events this term such as the First Communion Mass, class prayers, Fathers' Day Breakfasts and assemblies. It's so good to be able to get our community back together.

Kind regards,

Matthew Hamer

## Foundation Students 2023

Please return completed enrolment forms to the school office as soon as convenient.

We are currently processing enrolments and confirming places for next year.

Parents will be notified via email, of orientation dates for this year, once enrolment forms are received.

We look forward to welcoming your child to St Brendan's CPS in 2023.

## SPORTS SHIRTS

All St Brendan's sports shirts and socks that have been given out to children for school sports, need to be returned to school as soon as possible.

Thank you to everyone who came along to help us celebrate our whole school Mass for the **Season of Creation**.

It was lovely to see families and parishioners praying with our children. We were also pleased to see Fr Hiep back and we appreciate his enthusiasm and encouragement.

We are blessed where we are with the amazing variety of beautiful landscapes on offer. **Please help your children experience and value what we have.** We hope that over the holidays, you can all get out into **creation** and appreciate what our region has to offer. It might be in the form of a walk to the entrance, a trip to Jemmy's Point lookout, Nyerimelang Homestead, Metung boardwalk, Raymond Island Koala sanctuary, Nowa Nowa Gorge lookout or the Buchan Caves. Walk or ride the many bike tracks, or even a day trip to the snow—they are expecting a final big dump over the next couple of days. Whatever you do—get out and have fun!

## Reflections from Year 1

## Jill and Fred's Most Hysterical Historical Adventure

On Tuesday the 6th September, Year 6 performed their first run of Jill and Fred's Most Hysterical Historical Adventure. It was our first performance and it was very nerve racking. The audience was amazing and at the end showed their appreciation for how much effort we had put into our performances. We started learning lines and songs at the beginning of term 2. Thank you to Miss Terry, Mrs Mills, Kylie, Fi and Jenny, they helped us so much with learning our lines, songs, all the actions and spacing. Thank you to Emma for helping our teachers with the costumes and backgrounds. We would like to thank anyone who came along to support us. All of the year sixes did amazing.

# ***Year One Geography / Religious Education Excursion***

Last week, Year One hit the road to explore and experience different places in our region. We went to Jemmy's Point to look at the beautiful view over our own town, followed by a visit to Nowa Nowa Gorge lookout. Our main part of the day was spent in Buchan where we were led through the Royal Cave by our Ranger, Helen. We all had a fantastic time and learnt lots!

We went to Jemmy's point and we saw lots of water and birds, then we had to drive to Nowa Nowa Gorge. It had a fantastic view and it was a long fall. There was a waterfall. We went to Buchan Caves, we saw lots of rocks and it was a bit squishy but we managed to fit in. We saw two kangaroos. It was so cool in the Buchan Caves. By Kirby

We went on an excursion to Buchan caves and we saw a kangaroo and it was sleeping. We played on the playground. Our bus driver was Bryce. Mrs Alsop, Mrs Renehan, Rourke, Julie and Katrina were our teachers for the day. It was raining most of the day but we still had fun. We explored the Buchan Caves. By Madi

One day, Year One went on an excursion to Jemmy's Point and Nowa Nowa, then we finally went to Buchan. The caves were very big. There was a giant cave crocodile! The lines in the caves look like bacon. I like the caves because they were so colourful with orange, grey and my favourite colour, black. The caves are so good to explore. The cave lady, called Helen, knew lots about stuff from years ago. Helen knew lots about the Buchan Caves. By Blake

## This month on SchoolTV - Online Gaming

Games are an integral part of human behaviour. It is normal and healthy for young people to engage in play as a part of their daily lives, including playing games online. And like most activities, online gaming can have both positive and negative outcomes. It can be intimidating and confusing for carers trying to understand a young person's online experiences with many considering that staring at a screen is an unhealthy habit. However, the World Health Organisation does believe that as well as the risks, there are also many positive benefits associated with online gaming and these could be key in nurturing bonds with others.

During the pandemic, there was an explosive growth of gaming as people sought much needed connection during isolation. In the media, gaming often gets bad publicity because most coverage tends to concentrate on the minority of gamers who play to such an extent that it compromises all other areas of their life. However, online gaming can teach young people many skills including teamwork, concentration, communication and problem-solving. It requires a level of interaction and skill from the player; unlike watching television, which is more passive.

Online communities provide opportunities for young people to feel socially connected and have a sense of belonging. At healthy levels, gaming can increase their self-esteem and social acceptance. However, any behaviour, when taken to extreme, can also have a negative impact on a young person's everyday life. Understanding what your young person experiences online and knowing the warning signs if they are at risk, will help nurture a more positive relationship with online gaming and help your family find the right balance.

If you are concerned about your young person's online gaming habits, it's important to consider a number of factors. This edition will provide strategies in how to deal with any issues you may be experiencing. We hope you take time to reflect on the information offered in this month's edition, and we always welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.
