*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.
We pay our respects to their elders past, present and emerging. We extend that respect to all people.
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

Collaborative Conferences: Booking through PAM (Parent Teacher Interviews)

Collaborative Conference interviews will take place on

Tuesday 13th, Wednesday 14th & Thursday 15th June 3.30pm—5.30pm

Our Semester One Collaborative Conferences are an essential parent/school meeting in which to share feedback and to plan for future learning. Your child must attend this meeting as they will lead some of the discussion. Through this process we want our students to understand themselves as learners, to know what they are learning and how they can be successful. We look forward to meeting with you.

Collaborative Conferences will be booked electronically using PAM.

- Please login to PAM as normal and you will immediately see a screen including the **Parent Interview** short cut.

- Once you click on the window you will be given the chance to select your child. The screen would be similar to the one below.

Reconciliation Week

On Friday the 26th of May we celebrated Reconciliation Week here at St Brendan's. We started the day off by going over to the indigenous garden and Auntie Sandra welcomed us to Country and performed a smoking ceremony. All the school leaders read out what Reconciliation means to them.

We walked through the smoke to cleanse our bodies of bad spirits and then we headed off to our activities. There was badge making, cookie decorating, flower painting, storytelling with Uncle Darryl, possum skin yarning and we got to burn into the possum and kangaroo skin with Auntie Francis and she explained what they use the cloaks for. Our last activity was sand art. St Brendan's hosted other local primary schools for the event.

Everyone who participated in the Reconciliation day activities received an indigenous inspired Big Bears doughnut. All the students also got to decorate a biscuit each that was inspired by the indigenous flag.

Many indigenous people from our community participated and helped with the activities and presentations. The day was a great success because we learnt about our Australian indigenous culture and the meaning and significance of Reconciliation Day.

YMCA (Leadership)

On Monday, the 29th of May 2023 Emily (from YMCA) was kind enough to teach the students about leadership. This included games such as:

- Rock Paper Scissors (With a twist) in this game of rock paper scissors we had many other options such as Markers, Superglue and a Stapler. The lesson was to teach the students about conflict.
- The Second game the students played was a puzzle of the world but the students had only two pieces of the puzzle each, this taught the students how to work together and work out who had what piece and where it had to go.
- Another game was The Invisible Maze, there was a grid of 24 squares and there were random correct squares, and you couldn't tell unless other people had gone before you to tell you where/where not to go. This game involves a lot of teamwork and following in others footsteps.

That Monday was an extremely fun time, where we learnt lots about how to be effective and resilient leaders.

Dreamtime at the G

On Saturday the 20th of May, Jesse Downing, Lincoln Evans, my brother Chad and I got to go to Melbourne to the MCG to play Auskick. When we arrived we were put into teams and meet Rhan Hooper who use to play footy for the Hawks, he designed a indigenous jumper that we got to wear and there is only 150 in the world and we got to keep them. So we were very lucky. First we watched the ceremony and the songs then the game started.

It was Essendon vs Richmond. In the first quarter Essendon was winning by 2 points, we missed the 2nd and 3rd quarter as we had to go down and get dressed to play in the half time Auskick match it was so fun. When we finished the game the Lakes kids got selected to make a guard of honour for the mighty Bombers, some players high fived us.

Then we got to watch the last quarter of football it was a very, very close game. In the last few seconds Essendon's Jake Stringer kicked it to Sam Durham who marked the ball right in front of our goals and kicked it straight though with only 7 seconds to go to put us in front by 1 point. The best team won in the end. Essendon hasn't won a dreamtime match for 9 years I was so excited we had won.

Come on the mighty Bombers

By Jake Richardson.

I was waiting for them to call our group into the change rooms, so we could get changed into our special uniforms. My socks were red, other players were black and the jersey was white.

We walked out onto the field and started playing football.

There were hundreds of people watching me. I was excited and nervous that I wasn't going to get a goal. But I kicked two goals.

My Gymnastics Comp

On Sunday, 21st May, I represented East Gippsland Gymnastics Club at the Sue Draper Memorial Pairs Competition in Maffra. This was a fundraiser towards research for ovarian cancer. I got to do two events and they were bars and floor. I nearly got a perfect score on bars and my favourite event was floor and my partner and I got first place. My partner did the beam and vault. Her vault was amazing and her hand stand on the beam was good. My partner and I placed first overall and we received a Gold Medal. I think it was an amazing competition and I will definitely do it again.

BE A VOICE FOR GENERATIONS

Prayer For Reconciliation Week

Lord, open up our hearts so that we may hear the message you teach,
of a world in which the wrongs of the past are recognised;
a world in which a reconciled people walk and talk together sharing stories;
a world in which all burn with the desire to have your peace and justice reign.

We ask this in Jesus' name.

A SPECIAL REPORT: Mobile Phone Separation Anxiety

The use of mobile phones and technology in schools has been a highly debated topic internationally, including in Australia. Almost all states and territories in Australia, have implemented full bans on mobile phones during class, recess, and lunch times, while allowing students to carry their phones during travel to and from school.

Critics argue that there is no evidence supporting the effectiveness of such bans, but this is a mischaracterisation. Studies have shown the positive impacts of mobile phone bans in schools. One study conducted in 2016, found that banning mobile phones led to an increase in student performance, with test scores improving by 6.4% of a standard deviation. Similar studies from Spain and Norway also supported these findings.

For parents concerned about mobile phone separation anxiety in their children, it is important to acknowledge it as a real issue and discuss the negative effects of phone addiction, such as sleep problems and mental health issues. Gradually introducing phone-free periods at home, setting clear expectations and boundaries and modelling healthy behaviours can help your child cope. It is also crucial to establish a support network and seek professional help if needed. Implementing mobile phone bans in schools allows for better focus on teaching and learning, minimising distractions and interruptions.

This Special Report will help address mobile phone separation anxiety and provide guidance on supporting your child's wellbeing during this transition period.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.
