# St BRENDAN'S SCHOOL Disco

On the 19th of June 2023, St Brendan's primary school had a whole school disco, the theme was Disney.

We had a disco to celebrate our very hard work for term two. It was extremely fun, at twelve thirty pm we had delicious hot dogs for lunch. After we had our hot dogs, we walked our way down to the hall in the wet rain, to have an amazing time at the disco.

There were a bunch of fun little activities, limbo, Just Dance, musical statues, we also separated into our house colours to do a ginormous conga chain. After we pulled out our amazing dance moves we left the hall and got icy Calippos.

It was amazing to see all the different costumes families had put together. We can't wait for next year's disco. I wonder what the theme will be.

# Division Winter Sports - AFL

On Friday the 16th of June, 17 students represented our school in Division Winter Sports for footy. It was a beautiful sunny day and everyone was pumped to play. The first match was against Lucknow Vs St Mary's which St Mary's won comfortably. Then it was our turn to play our first game against Lucknow. In the first half, Lucknow had a fast start and were leading at half-time. But after a half-time speech from Mr. B, we got the momentum to come back from behind and win our first match. Our next game was against St. Mary's. They had an inaccurate first half which kept us in the game, but in the end we were so tired that they outran us and won the game. Everyone had a fun day and gave it their best. We would like to thank Mr. B and Mel for taking care of us during the day.

Students have been busy in art over the past couple of weeks constructing lanterns in preparation for the Lakes Entrance Winter Festival Lantern Parade. Students and families are able to join in with their lantern and do not require a ticket if they take their lantern. See below or visit <https://egwinterfest.com.au/event/lakes-entrance-lantern-festival/>

### **LANTERN PARADE (6:00 – 6:30pm)**

The popular community lantern parade returns in 2023 with an expanded parade route. **Anyone with a lantern (plus an accompanying adult) can take part in the parade and be one of the first to see the magical display across the Footbridge.** There are several free lantern making workshops in the lead-up (details on the EGWF Program) so come along and make your own lantern to carry in the parade.

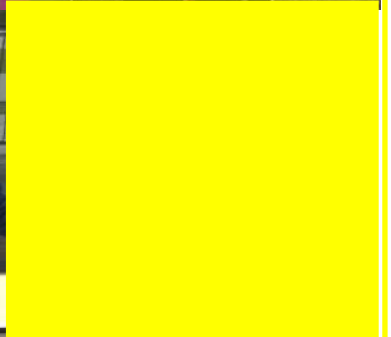

Paraders are to gather from 5:30pm between the Slipway and the Coast Guard Building (420 Esplanade, Lakes Entrance) where you will be entertained by roving performers and musicians.

The parade will set off at 6:00pm led by local CFA members and gather in front of the music stage for a special Welcome to Country. The lantern parade will then loop around the foreshore reserve (follow the CFA leaders) before returning to meet local Aboriginal Elders at the start of the Footbridge. The Elders will lead the parade across the bridge and conduct a traditional smoking ceremony as the parade arrives at the other side.

## THANK YOU LION'S CLUB!

On Tuesday evening, the Lion's Club of Lakes Entrance presented each of the schools in our area, as well as a number of other organisations, with a generous donation. These donations are channelled from our generous locals, via the many Lion's Club activities, such as Bingo, barbecues and raffles.

St Brendan's was very grateful to receive \$750.00 to put towards literacy resources.

We would like to thank the small band (16 or so) who make up our local Lion's group, for their commitment and hard work over many years.

Did you know—most of our Lions are aged between 70 and 90? They would really love some new members to keep this vital service afloat. There are many ways Lion's support community and humanitarian efforts, so if you think you could offer up just a few hours here or there, please contact Moss at: [lions.lakesentrance@gmail.com](mailto:lions.lakesentrance@gmail.com)

### Week 9's whole school **GEM Chat** focus:

Try this mindfulness strategy during the holidays:

St Brendan's Op Shop has second hand school uniform available.

**St Brendan's Winter  
School uniform available  
\$3.00 per item unless  
otherwise marked.**

Open 10am-3pm Tuesday, Wednesday & Thursday.

# East Gippsland Performing Arts Eisteddfod

Last weekend I competed in the East Gippsland Performing Arts Eisteddfod in Bairnsdale. I was in Section 33: 10 years and under 12 years character solo novice. My doctor said that because of my 2 fractured arms I was only allowed to compete in one dance, and not move my arms too much.

Character dance is basically ballet but you have to act while dancing. For example, the Nutcracker Swan Lake and Sleeping Beauty are all character dances because they dance but they also act on their emotions and tell a story.

For my dance I wrote a short story called Nancy Drew and the Case of the Stolen Jewellery. I then chose the music to match the story, decided on my costume and props and my teacher choreographed the dance. Nancy Drew is one of my favourite books. Nancy is a girl detective who solves mysteries. To my delight I got first place! My sister Lucy also competed in the Eisteddfod. She competed in two categories: Jazz solo novice and Contemporary solo novice. Lucy came 2nd place in her contemporary dance. Juliet Walker from Year 6, also performed again and she got first place too. Every dancer did an amazing job in this Eisteddfod.

## Year 3 Science

This term in Science we have been looking at specimens and working out what category they are. Like an ant is an insect and a spider is an arachnid. On Thursday afternoon we went to the Fairy Garden and looked through the leaf litter to try and find some specimens. When we found them we recorded what they were on a sheet, we took it back to the classroom and shared what we had found. Science this term was confusing but we learnt a lot.

## Sacred Heart Mass

**Thank you very much** to all the families who either came to Mass with the children last Friday and/or donated food items. We ended up with about six baskets full of items. These will be distributed by Neighbourhood House to those in our community who need a little helping hand.

*Here are Parker, Lenora, Brok, Madi, Eden and Kobii, with just a small selection of what was donated.*

## CONFIRMATION 2023

Our Confirmation program begins with a parent information session in **Week One** of Term Three (3.30pm Thurs July 13th). The Commitment Mass is at the end of Week One on Sunday 16th July. We look forward to seeing you there!

## Prayer for the end of term

Lord, we are grateful for all the blessings you have given us this term; for our learning and the fun times we have had and for the tough times and for our failures, because these all help build our inner strength and resilience and fuel our resolve to be better people.

Help us to relax over these holidays and keep us all safe.

**Amen**

## Mindfulness - During the holidays

Mindfulness is our ability to be present at any given moment. We practise this by using intentional awareness and concentrating on what you are doing when you are doing it.

Thousands of studies into Mindfulness indicate that with regular practice, Mindfulness can lead to benefits such as; reduced stress, reduced rumination, increased memory, increased cognitive function and physical health benefits through improved immunity. Mindfulness can be practised through meditation, yoga, flow-states and daily activities such as cooking.

Today's presentation from [The Resilience Project](https://theresilienceproject.com.au/2023-parent-carer-hub-inspire-martin/) is all about Mindfulness:

### Research & Benefits of Mindfulness

**49%**

of our **waking hours** we are thinking about **something other** than what we're doing.

## SPECIAL REPORT

# Celebrating NAIDOC Week

### A SPECIAL REPORT: Celebrating NAIDOC Week

NAIDOC week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander people. It is celebrated by all Australians and is a great opportunity to recognise and learn more about the history and culture of indigenous communities.

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Its origins can be traced back to the Aboriginal rights movement, when on Australia Day 1938, protestors marched through the streets of Sydney to highlight the status and treatment of Aboriginal and Torres Strait Islander Australians. Today, it is a week-long celebration held in July that consists of a range of traditional and contemporary activities.

NAIDOC Week is an important event that helps build positive relationships between Aboriginal and non-Aboriginal people. It enables a deeper understanding of our differences and similarities. NAIDOC week is an opportunity for all Australians to eliminate bias and discrimination by reflecting and reconciling the wrongs of the past to facilitate hope and build a fairer future. Families are encouraged to join in and support young people in learning the significance of NAIDOC Week.

This Special Report offers suggestions on how families can celebrate NAIDOC Week together.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.
