*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.  
We pay our respects to their elders past, present and emerging. We extend that respect to all people.  
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

## COLOUR RUN

On **Friday, 22 March**, our Year Six Events and Social Justice Leaders have arranged a Colour Run event in the afternoon following the St Brendan's CPS Cross Country. Colour runs are popular fundraising events for schools and this year we are raising funds for Caritas and Project Compassion .

Students may bring a white/light coloured t-shirt to wear over their sports shorts, please note, colours that the students run through are fully washable from clothes. They are non-toxic and will not stain. Students should also bring sunglasses or goggles.

Parent helpers are required and would be greatly appreciated for the sausage sizzle. Please contact the office if you can spare some time. Parents are welcome to attend the Cross Country and return later in the day for the presentations and colour run.

Thank you

Dear Families and Friends,

NAPLAN has been a focus this week for students in years three and five. Our technology has served us well and from what the teachers and I can tell, our students have performed admirably. Certainly, I can see that they have managed themselves in being organised and physically and mentally ready for the tests. We will conduct the Numeracy assessment on Tuesday of next week and will catch up any students by Friday. Please ensure your child is well rested over the weekend.

One of the issues facing schools at this point in time is students presenting to school on Monday, exhausted from a weekend of screen time. This phenomenon is a significant roadblock to student learning. At St Brendan's, all students are aware that they should limit their screen time. At home, please encourage outside play and always look for opportunities to spend quality time with your children.

Thank you to the families who have indicated which event they can help with this year, We are still waiting on a few responses, please take the time to consider which event you are able to provide assistance to. Many hands make light work.

This week, we welcomed a new family to our school. Emily Smits has begun very well in our foundation year level and we welcome her parents Kelly and Brandon to the St Brendan's community.

*Embracing Discomfort - <https://mojocrowe.com/>*

“Growth doesn't happen in your comfort zone. The magic happens on the fringes. On the edges, in the struggle.”

On any Hero's Journey, we're either winning... or we're learning.

And if there's a lesson to take away from an experience, there's a good chance that growth is already taking place. That's a win in and of itself!

Well, 'finding wins amongst the struggle' sounds great in theory. But it's much harder in practice, right?

You're not alone there.

As a macro-trend, we've noticed that **we struggle to navigate discomfort as a human race**. And it makes sense. Our brains are wired for survival, often encouraging us towards the path of least resistance, and away from any thing new or uncertain.

Now we all have a need for security and safety in our day-to-day lives... but the thing we don't often realise, is that we're also in need of a little uncertainty. For spontaneity, wonder, adventure, and the chance to stretch our purpose and potential.

**Our greatest growth doesn't happen within our comfort zones. The magic happens on the edges, the fringes, in the struggle.** It's uncomfortable, messy, and full of unexpected discoveries.

Because when we're willing to get uncomfortable, to really *lean in* and have a crack, we not only fuel our own development... We can inspire others to do the same.

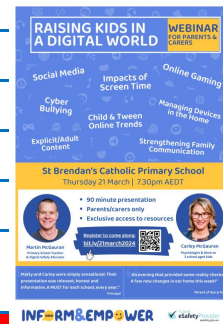

It is hard to believe, but the first term is winding up. Week eight of the term is a week with relatively few interruptions to the curriculum. We will aim to achieve quite a lot in that time. Week nine is a short week with Good Friday indicating the beginning of the holiday break, Please join us at our Cross Country carnival and colour run on Friday, 22 March and at the Golden Honour assembly at 9.10am on Thursday, 28, March if you have time.

Kind regards,

Matthew Hamer

# Regional Swimming Girls Medley

Written by Savannah, Piper, Keelie and Ruby.

On Thursday this week we represented St Brendan's at the Regional Swimming Carnival at Sale. Our medley team consisted of Savannah, Piper, Keelie and Ruby. Our first medley swimmer was Savannah who swam the backstroke leg, then followed by Keelie in breaststroke, Piper then swam butterfly. To finish off, Ruby pushed through in freestyle coming in at 7th place. The competition was tough, but we are so proud of ourselves for representing our school.

Well Done,  
Girls!

# Health

In 2024, Health is being implemented as a specialist class along with Art, Mandarin, Physical Education and Science. Health focuses on teaching students how to enhance their health, safety and wellbeing and contribute to building healthy, safe and active communities.

## Term one

Focus: Relationships

Students have been developing an understanding of:

- Personal identities and the factors that contribute to their identities
- Social skills necessary for respectful relationships
- Emotional responses and how these impact on relationships

## Term two

Focus: Nutrition

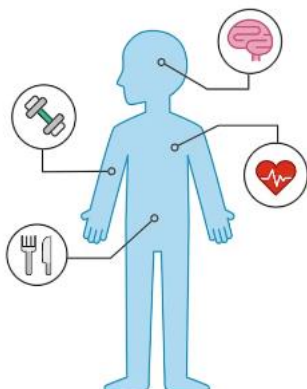

Students will develop an understanding of:

- The role of food and nutrition in enhancing health and wellbeing
- Skills to make healthy, informed food choices

## Term three

Focus: The Human Body

## Term four

Focus: Safety and Wellbeing

# Personal Strengths

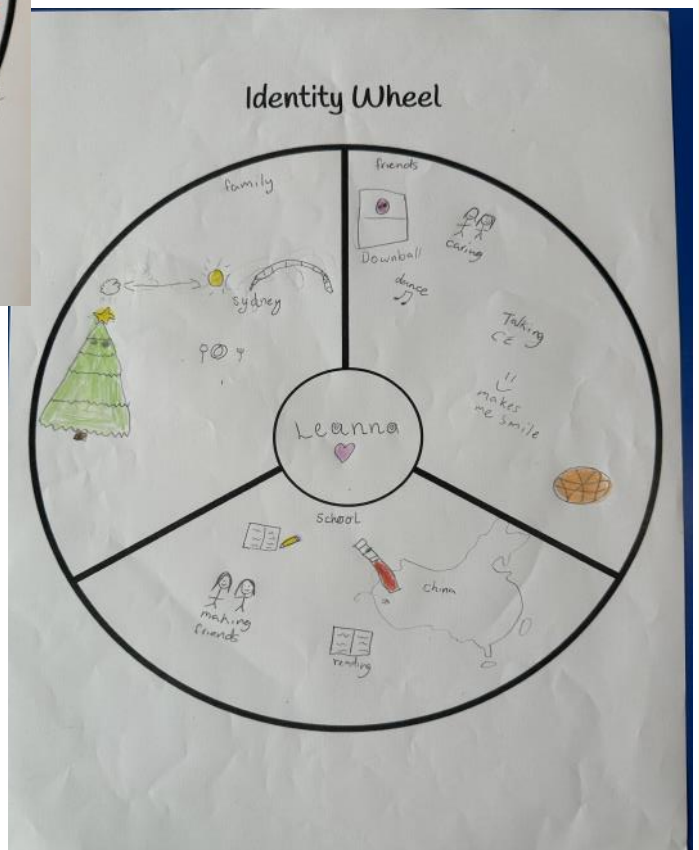

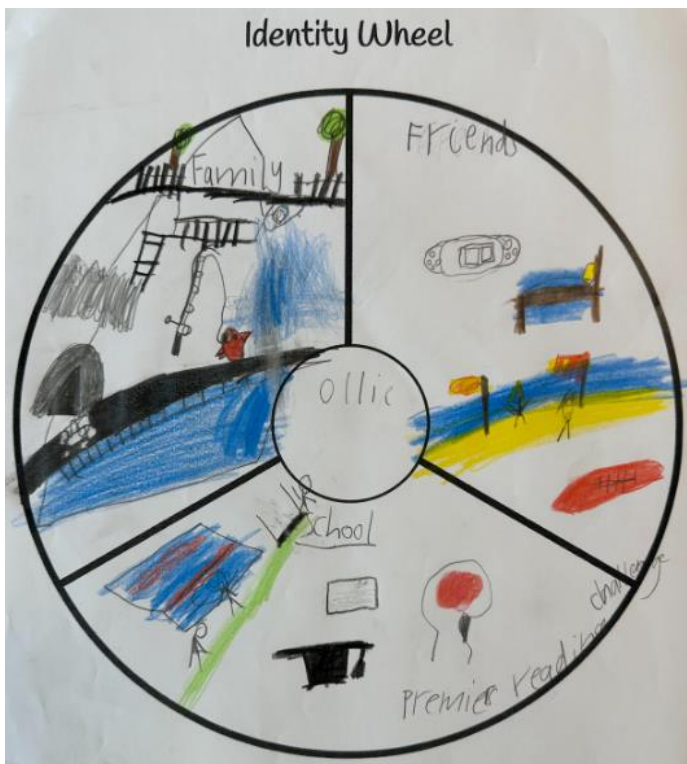

Foundation students have been learning about personal strengths such as being helpful, kind, patient, brave, neat, hardworking, friendly etc. We have focused on naming and describing ways they use these strengths to help themselves and others. We also brainstormed and practised how we could use our strengths while we planted and looked after our snow pea seeds.

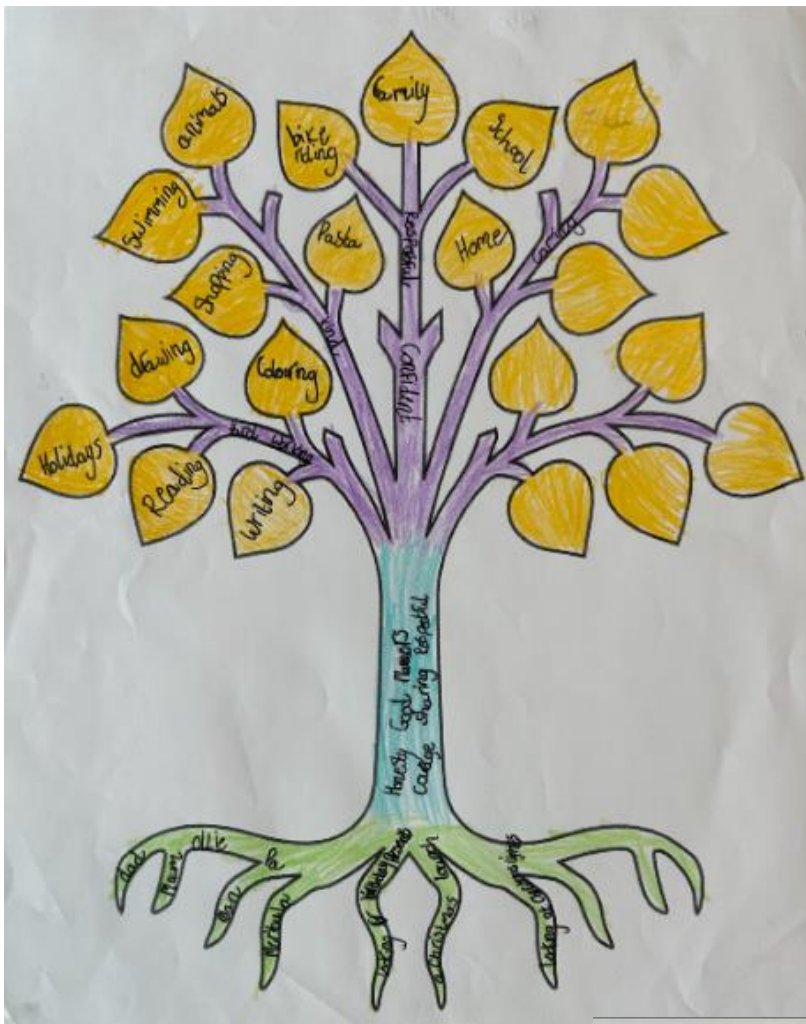

# Personal Identities

Years 3, 4 and 5 have been learning about personal identities. There are many things that make us who we are: Our likes, dislikes, experiences, strengths and backgrounds. We have explored influences that strengthen and contribute to our unique identities such as family, friends and school. We have discussed how our personal identity can change and grow over time. As we learn new things, have new experiences, and meet new people, our identity evolves. Students have also been developing an understanding that everyone's identity is unique and how we can appreciate and respect the ways people are similar or different to us.

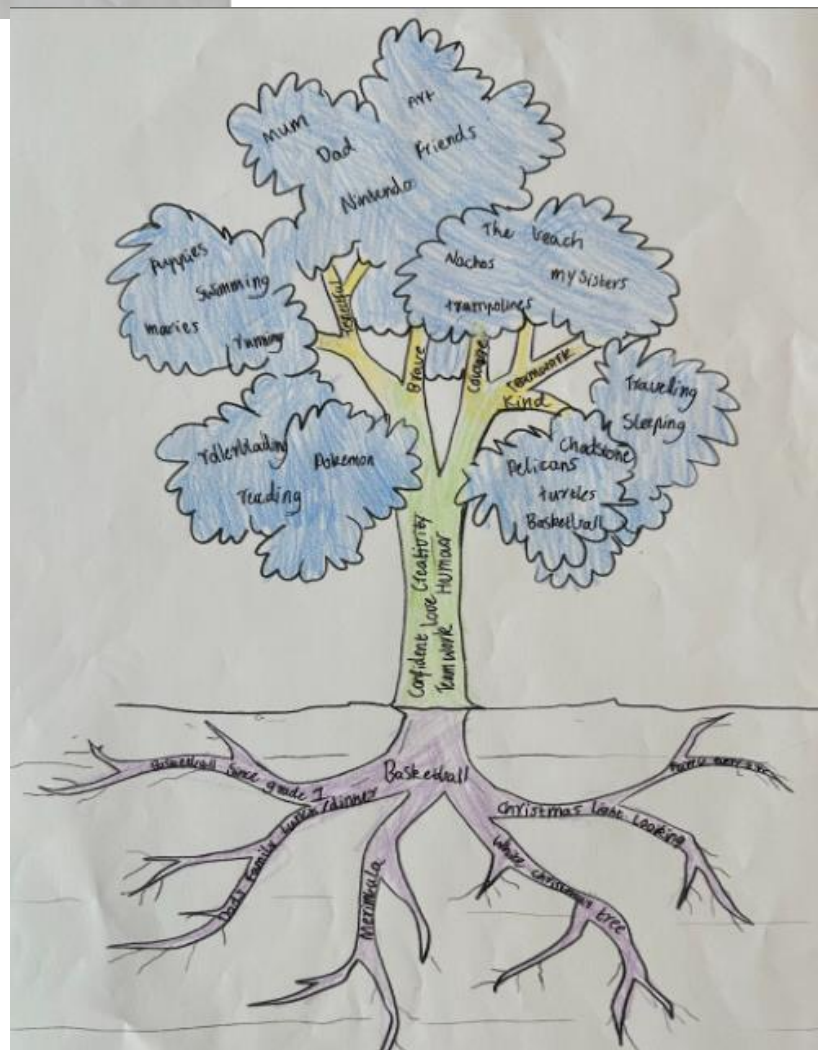

In Health the 4/5s have been learning about identities and we made Identity trees that show our family and traditions, values, strengths and likes.

~ Bella

The leaves are our interests and hobbies and they can change as we get older

# Easter

# Raffle

Each family is asked to contribute an Easter Egg or Easter related goods towards our raffle.

The class raffle will be drawn on Wednesday, 27th March.

There will be many prizes per grade as well as 2 large prizes with all tickets put together for a major draw, to take place at the Golden Honour Assembly, 9.10am Thursday, 28th March.

Proceeds will go to Caritas.

Tickets will be 50c per ticket and are available in the classrooms.

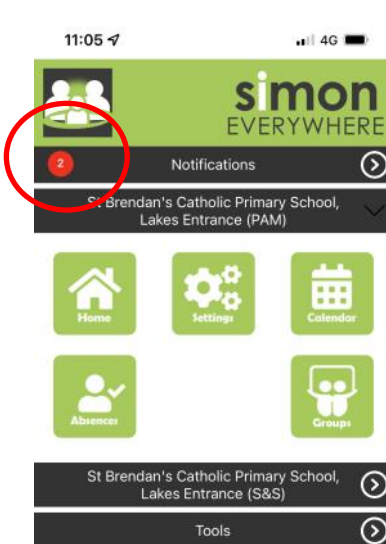

Help will be required on Tuesday, 26th March at 9am to wrap the Easter prizes.

## Supporting School Events

As in previous years we will not be running a formal Parents and Friends committee in 2024. Alternatively, it is the School Advisory Committees recommendation that we provide families with a list of events taking place over the course of the year requesting that families select one or two events they can assist with. Prior to this event taking place, volunteers will be contacted by the school with more details.

This initiative supports the school by spreading the workload and ensuring our students can enjoy all the opportunities we have in place. Please remember, all volunteers must have a current Working With Children Card which has been presented to the school office.

The survey can be found on **PAM**. You will have a new alert listed, highlighted in red, "**Connect Surveys - Supporting School Events**". Follow the prompts to complete. Please select one or two of the events named that you can assist with. Your help is greatly appreciated.

## LIBRARY BAGS

It is a school requirement that **all students** have a library bag to take home their readers/books.

We have library bags for sale in the office for \$8.00 each. If you can't get to the school office, you may contact the office to have the cost added to your school fees and the bag supplied to your child.

## Uniform Reminders

**JEWELLERY** is restricted to the following - a wrist watch, no more than **one** small matching pair of studs or sleepers in the ear lobe - gold, silver or gemstone, a religious medallion on a chain to be worn under clothing.

**Fashion jewellery, make-up and nail polish are not permitted.**

**HAIR** is to be kept neat and tidy at all times. Hair longer than collar length, must be **tyed back completely**. This is to help restrict the spread of nits and lice and for student safety. Headband, hair ties, ribbons, scrunchies and clips must be **blue, black or brown**.

It is not appropriate for children to come to school with dyed or inappropriate hair styles as deemed by the Principal.

## REMINDER: NO SMART WATCHES AND DEVICES AT SCHOOL

Smart watches that allow communication via SMS, email or phone call cannot be worn at school with the same rules applying as with a mobile phone.

At St Brendan's students may only bring mobile phones/devices/ SMART Watches to school if there is a need for them to contact their parents either before arriving at school or in the afternoon after leaving school. Upon arrival at school the phone/ device/ SMART Watch is to be checked in at the school office where it will be turned off and kept securely for the day. It is the child's responsibility to collect the phone/ device/ SMART Watch at the end of the day. Parents with an urgent need to be in contact with their child during the day should contact the school office and appropriate steps will be taken to pass on the message.

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

**CAMPS, SPORTS & EXCURSIONS FUND (CSEF)**  
School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

**HOW TO APPLY**  
New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments**; your child has started or changed schools this year.
- **changed family circumstances**; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
