St Brendan's Cross Country

By Lilly & Lali

Step right up! Well I mean run, because this writing is about Cross Country. On the 22nd of March our school held our annual Cross Country event. It was hard, but we all kept pushing through. It felt so good to cross the finish line with everyone cheering you on. Also when you're going for your second lap and everyone cheers you on at the end you see success in yourself. Well done, to everyone who had a go and to those who made it through to the next level. We loved how encouraging everyone was during the whole day and showed great sportsmanship. We also loved that at the very end of the day it was our first Colour Run. But hey we're talking about Cross Country. As I said, at the very end you see success in yourself and even though you have pain in your belly, just remember you made it!

COLOUR RUN

On Friday last week, we had Cross Country, but even better we had the **COLOUR RUN!!** It was an amazing experience for everyone, as well as raising funds for Caritas. The day began with Cross Country and then sausages were delivered for everyone. After lunch we held the presentation for 1st, 2nd, 3rd, 4th 5th and 6th place getters. While some grade 6s were presenting, some were actually setting up the Colour Run course for the younger ages. The Colour Run was so fun, we had colour powder thrown at us after every stage and it was so exciting. At the end you were squirted with water. The Colour Run was such a fun way of fundraising. Let's hope we get to do it again next year.

What a fabulous term it has been in Foundation! We are so impressed with the awesome start the Foundation students made in Term One. Students have been making great choices in the classroom and outside, as well as settling into routines. We have participated in many fun and engaging learning activities which has helped us build on our growing knowledge and skills. We can't wait for Term 2 and even more great learning to come!

Year 1

Emily can woof, she thinks she is a dog. I liked making the paper cats. It was really fun.

Alex H 1 Blue

Emily thinks she is a dog because she wants to be like the other dogs in the story. Making the paper cats was hard but they are very cute. **Sadie M 1Red**

We made paper cats because we read the book Emily. Emily is a cat but she acts like a dog. She likes to be a dog and in the end of the book Buster the dog meows like a cat. It's a really funny book.

Sam O 1 Red

We read a book called Emily. She is a cat who thinks she is a dog. Buster is a dog and Emily doesn't like him. I liked reading this book. **Liam S 1Blue**

Welcome to Holy Week!

We have now entered a very significant time in the Catholic and Christian Churches' calendars. **Holy Week** begins on **Palm Sunday** and marks the last week of the Christian season of Lent; the week leading up to Easter. It includes **Holy Thursday**, **Good Friday** and concludes on **Easter Saturday**.

Easter Sunday then marks the beginning of the glorious **Season of Easter**.

Please take the time to celebrate with your faith community and with your families, remembering with your children what Easter is actually about.

ALL WELCOME!

Ramadan is an important time for Muslims. It is the ninth month of the Islamic calendar and, similar to Lent, it is a time of abstinence and spiritual growth.

This year, Ramadan is expected to begin on the evening of Monday, 11th March 2024 and end on the evening of Tuesday, 9th April 2024, depending on the sighting of the moon. (Islamic Relief Australia)

We wish our Muslim friends a blessed season!

CARITAS Australia—Project Compassion

Thank you to everyone who supported our Project Compassion appeal this year. This tradition of alms-giving is an important one to help us all be people of compassion!

NEEDED: We are still seeking someone who would be willing to spend a short amount of time each term to print and iron symbols onto a handful of stoles for the children making their sacraments. If you can help, please leave your contact details at the office and Helen will contact you. Thank you!

Seasons for Growth® Program

Learning to live with change and loss:

Change and loss are issues that affect all of us at some stage in our lives. At St. Brendan's Primary School, we recognise that when changes occur in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons for Growth early Term Two. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks. If you think your son or daughter would benefit from Seasons for Growth we would encourage you to talk to him/her about participating in the program.

If you require further information please contact Helen Renehan at school (Religious Education Leader / Seasons Facilitator)

LIBRARY BAGS

It is a school requirement that **all students** have a library bag to take home their readers/books.

We have library bags for sale in the office for \$8.00 each. If you can't get to the school office, you may contact the office to have the cost added to your school fees and the bag supplied to your child.

Uniform Reminders

JEWELLERY is restricted to the following - a wrist watch, no more than **one** small matching pair of studs or sleepers in the ear lobe - gold, silver or gemstone, a religious medallion on a chain to be worn under clothing.

Fashion jewellery, make-up and nail polish are not permitted.

HAIR is to be kept neat and tidy at all times. Hair longer than collar length, must be **tyed back completely**. This is to help restrict the spread of nits and lice and for student safety. Headband, hair ties, ribbons, scrunchies and clips must be **blue, black or brown**.

It is not appropriate for children to come to school with dyed or inappropriate hair styles as deemed by the Principal.

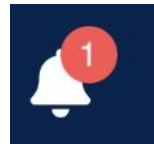

REMINDER: NO SMART WATCHES AND DEVICES AT SCHOOL

Smart watches that allow communication via SMS, email or phone call cannot be worn at school with the same rules applying as with a mobile phone.

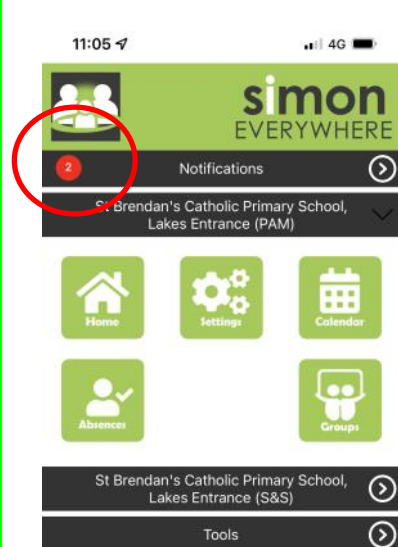

At St Brendan's students may only bring mobile phones/devices/ SMART Watches to school if there is a need for them to contact their parents either before arriving at school or in the afternoon after leaving school. Upon arrival at school the phone/ device/ SMART Watch is to be checked in at the school office where it will be turned off and kept securely for the day. It is the child's responsibility to collect the phone/ device/ SMART Watch at the end of the day. Parents with an urgent need to be in contact with their child during the day should contact the school office and appropriate steps will be taken to pass on the message.

Supporting School Events

As in previous years we will not be running a formal Parents and Friends committee in 2024. Alternatively, it is the School Advisory Committees recommendation that we provide families with a list of events taking place over the course of the year requesting that families select one or two events they can assist with. Prior to this event taking place, volunteers will be contacted by the school with more details.

This initiative supports the school by spreading the workload and ensuring our students can enjoy all the opportunities we have in place. Please remember, all volunteers must have a current Working With Children Card which has been presented to the school office.

The survey can be found on **PAM**. You will have a new alert listed, highlighted in red, "Connect Surveys - Supporting School Events". Follow the prompts to complete. Please select one or two of the events named that you can assist with. Your help is greatly appreciated.
