*We would like to acknowledge the Traditional Custodians of the land on which we gather today, the Gunaikurnai people.
We pay our respects to their elders past, present and emerging. We extend that respect to all people.
We would especially like to acknowledge the land on which our school stands and ask everyone to show respect to the environment and all that it includes.*

Please come along and help at our Annual Working Bee.

Time: 3:15pm - 4:30pm

TONIGHT

Thank you to those who have already offered assistance.

On Friday, 20 September we celebrate the end of term with our Big Picnic.

The day begins with our Golden Honour Card Assembly at 9.10am in the Mary MacKillop Hall.

At 10.30am the staff and students will walk down to the Footbridge Rotunda. While there we will have games and enjoy a lunch together at 12.00pm. We leave from the park around 1.15pm to return to school. Students will be in sports uniform. They should have a water bottle, hat, a packed lunch and snack.

Please be aware that St Brendan's Primary School begins the September holidays at 2.15pm on Friday, 20 September.

Please join us for the celebration. If you wish to take your child home from the rotunda, please notify your child's classroom teacher so that they may mark the attendance roll.

RU OK?
A conversation could change a life.

DAY IN FOUNDATION

Dear Families and Friends,

The **State and National NAPLAN data** was released this week and after a long wait we were able to compare our progress against these measures. While our own school data indicated we would fare well, we were pleasantly surprised with what we discovered.

NAPLAN 2024 Year 3 Reading - St Brendan's was 37 weeks above the State mean.

NAPLAN 2024 Year 3 Numeracy - St Brendan's was 8 weeks above the State mean.

NAPLAN 2024 Year 3 Reading - St Brendan's was 17 weeks above the State mean.

NAPLAN 2024 Year 3 Reading - St Brendan's was equal with the State mean.

These were just some of the great results. I should indicate that 37 weeks is actually equal to a year of schooling so to be one year ahead of the state is a significant achievement. All areas of assessments indicate growth for our school. I hope you are feeling as proud as we are!

Recently, **Doug Doherty, (principal of Nagle College)** visited our school. Doug came, not only to speak to our year six cohort to prepare them for a potential transition to Nagle College, he was also keen to establish a better working relationship with our school. In particular, Doug wanted to find out how Nagle could better transition students from year six to seven. Leonie Morrison and I feel that the meeting was productive, and that Nagle are developing a clear picture of our students' needs.

What is body image? - <https://raisingchildren.net.au/pre-teens>

Your body image is how and what you think and feel about your body. It includes the picture of your body that you have in your mind, which might or might not match your body's actual shape and size.

A positive or **healthy body image** is feeling happy and satisfied with your body, as well as being comfortable with and accepting the way you look. A negative or **unhealthy body image** is feeling unhappy with the way you look. People who feel like this might want to change their body weight or shape. Your child needs your help to sort through and understand messages about their body.

Sometimes you can help just by actively listening to how your child is feeling about the physical changes of puberty. This means really paying attention to your child's concerns and showing that you care and are interested in what they're saying. If your child is feeling confused, you can reassure them that the changes are a natural part of growing up.

It's also good to talk with your child about **images on social and other media**. Some images set unrealistic ideals for pre-teens and teenagers. But you can help by explaining how the images are often digitally manipulated so that people look more 'beautiful' than they really are.

If your child isn't talking or opening up to you, they might like to talk with another trusted adult. They could also:

- contact an anonymous service like Kids Helpline – phone **1800 551 800**
- use Kids Helpline web counselling or Kids Helpline email counselling services.

In Term Four, Helen Renahan will take her Long Service Leave. During Term Four, the Year One Red teacher will be **Alexandra Delaney**. Alexandra is an experienced teacher who has spent time in leadership roles in education. We welcome Alexandra to our teaching team and wish Helen a safe and restful break.

We are all very much looking forward the **Big Picnic** on Friday, 20 September. Please join us for the Golden Honour Card assembly at 9.10am followed by a walk to the footbridge rotunda and lunch at 12.00pm.

Please remember the school day concludes at 2.15pm in line with the running of school busses.

Kind Regards,

Matthew Hamer

Division Athletics

By Lali and Berlins

On Monday the 9th of September, Division Athletics was held at Bairnsdale at the same place as District Athletics. There were lots of events such as; hurdles, 100m, 200m, 800m, shot put, discus, high jump, long jump and triple jump. There were 21 out of 26 students at St Brendan's that made it through to Regionals, which is really impressive.

Regionals is on the 15th of October 2024 and it is going to be held at the Joe Carmody Athletics Track in Newborough.

We were all really excited and cheered for each other, showing great teamwork. Thank you to Mr Bates, Mrs H and Dan for being with us the whole day and for helping out at the athletics and being there to cheer us on and support us.

We can't wait for Regionals to compete, have fun, cheer the rest on and represent St Brendan's with pride.

Lion's Club Public Speaking Competition

On Thursday the 5th of September, Berlins, Lacey and Winter represented St Brendan's Catholic Primary School at the Lion's Club public speaking competition, at the Mechanics Hall.

Lacey confidently spoke in front of a large crowd, sharing her story about the most influential person in her life, Penny Hammond. Lacey explained that Penny is 'a super star' volunteer, who takes time out of her busy life to help others with basketball.

Berlins shared a heart-filled story about her influential sister. Berlins made the audience smile, as she expressed her love for her sister.

Winter discussed her favourite book character, Danny's father William, from a Roald Dahl story - Danny the champion of the world. This character resonated with her because it was about how a father's love could make him feel like the luckiest person in the world. A champion, even though they didn't have much money or many possessions. Winter spoke amazingly and successfully won the competition for students in years 3/4.

Winter will now compete against schools from broader Gippsland on the 13th of October in Trafalgar.

Best Wishes and good luck Winter!

Maths Chance

In Term 3 we have been learning about probability. We have learnt that you can read chance in percentages, decimals and fractions, you can read it on a chance scale. A chance scale starts from impossible then moves on to unlikely and so on it goes until certain which means it is certain to happen. You can also do this with decimals, percentages and fractions.

HEALTH

BY BELLA HAYLLAR AND SUMMER SHIELDS

This term in grade 4 we have been learning about emotions and how to express them. In health we have been watching little clips of 'Inside Out Two' to help us learn not to pretend that we're happy when we're really not. We also learned how all of our emotions are important in different ways.

Science Elan & Charlie

In science this term, grade 4/5 have been making lava lamps. To do this we fill a quarter of the container you are using with water. Then we fill the rest of the container with vegetable oil. After you have let the oil settle above the water and all the bubbles have disappeared, put a few drops of food coloring into the container. Once the food dye has reached the water, drop in some alka seltzer and wait for the magic to begin. We also made lemons fizz. First you get half a lemon and poke the insides without penetrating the skin, causing it to become very juicy. After adding a teaspoon of baking soda, squeeze three drops of food colouring into the lemon and watch it fizz up. We all had lots of fun creating these experiments this term and can't wait to have even more fun next term!

Geography

By Jaxon Cawley and Ivy Doland

This term in geography, we have been learning about different countries and how to find out more about countries.

In geography, we are creating an amazing race and country fact files, we all get different countries and are conducting research about the countries.

At the end of the amazing race we created a poster and put all the different countries we had researched about on the poster. Then we put all the countries in order on the outside of the poster.

We have all been given the same questions for the country fact file to discover more about the countries we have researched. That's what we have been learning in geography in Term Three.

By Winter Thomas

On the 5th of September I read aloud my speech to the Lions Club at the Mechanics Hall in Lakes Entrance.

My topic for the lions club was "Your favourite book character". I chose Danny's father from the book Danny the Champion of the World, a Roald Dahl book.

I had read my speech out during the class competition, won and then read my speech to the Lions Club at the Mechanics Hall a few weeks later.

I was up against a girl who made it through to the Division Lions Club last year so it was a big competition. All the other kids' speeches were amazing, especially my friends Lacey and Berlins.

After everyone finished their speeches everyone was rewarded with a framed participation award, then they announced the winners which was me and a girl called Gracie from another school. We also got a framed winning award such as a framed participation award and a fifty dollar voucher for the books and games store.

At the end everyone came up to me and said well done as I shoved my face with apple slices. The Lions Club had prepared supper and dessert.

Now I will be going to the Division Lions Club at the Trafalgar Mechanics Hall on the Thirteenth of October.

A SPECIAL REPORT: R U OK?Day

Understanding the growing challenges related to mental health among young people is an important consideration. Anxiety, depression and self-harm - are all causes for concern. Factors like academic pressure, social media, family dynamics, and societal expectations, are contributing to these issues. It's therefore crucial for parents and caregivers to take action early, remove the stigma around discussing mental health, and offer accessible support to address these issues and the wellbeing of their children.

R U OK?Day is an initiative that focuses on preventing suicide by encouraging meaningful personal connections and helping informal support networks to help recognise the signs of distress. We urge all families to take part, emphasising the value of genuine human relationships and reminding everyone to ask the important question, "Are you OK?"

Engaging in R U OK?Day activities goes beyond the classroom; it's a commitment to our students' overall development. By talking openly about mental health, schools create safe spaces where students feel understood, valued, and supported. As parents and caregivers, you can contribute by fostering open conversations, normalising feelings and breaking down mental health stigmas. Participating in R U OK?Day promotes compassion and shows our dedication to the wellbeing of the entire school community, reaffirming that together, we can truly make a difference.

This Special Report provides guidance on how to talk to your child about mental health and engage in meaningful discussions.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate – (New arrangements)

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.

U N I F O R M

Just a reminder that all students should now be in Full Winter Uniform.

Girls - Winter tunic or skirts or navy 'Midford' pants. Navy tights.

Boys - Long pants

Track pants on sports days at the start of the day. Shorts can be worn underneath.

Student should bring a jumper to school everyday - don't forget to label your uniform!

St Brendan's Op Shop has second hand school uniform available.

St Brendan's School uniform available \$3.00 per item unless otherwise marked.

Open 10am-3pm Tuesday, Wednesday & Thursday.

Uniform Reminders

JEWELLERY is restricted to the following - a wrist watch, no more than **one** small matching pair of studs or sleepers in the ear lobe - gold, silver or gemstone, a religious medallion on a chain to be worn under clothing.

Fashion jewellery, make-up and nail polish are not permitted.

HAIR is to be kept neat and tidy at all times. Hair longer than collar length, must be **tyed back completely**. This is to help restrict the spread of nits and lice and for student safety. Headband, hair ties, ribbons, scrunchies and clips must be **blue, black or brown**.

It is not appropriate for children to come to school with dyed or inappropriate hair styles as deemed by the Principal.
