WORLD TEACHERS' DAY

Friday 25th October

Thank You!

*Thank you to our teachers, leaders and support staff for
Inspiring Faith and Inspiring Learning every day.*

Diocese of Sale
Catholic Education Ltd

Dear Families and Friends,

To be honest, it is hard to believe we are at the end of October and the end of week 3. However, school life is fantastic in that I can see a real **commitment to learning** across the school. Each day I walk through the classrooms and there are always several examples of student progress that fills me with great pride!

Today is **World Teachers' Day** and I would like to take a moment to acknowledge all our St Brendan's staff who play such a pivotal role in shaping young minds. Our staff are all so dedicated to our goal of 'accelerating the rate of progress for all our students'. The work staff do in forming relationships is outstanding. Thank you!

This year's World Teachers' Day highlights the need to address the systemic challenges teachers face and to establish a more inclusive dialogue about their role in education. The 2024 celebrations will focus on "Valuing teacher voices: towards a new social contract for education", underscoring the urgency of calling for and attending to teachers' voices to address their challenges but, most importantly, to acknowledge and benefit from the expert knowledge and input that they bring to education. UNESCO

Last week, our athletics team braved the weather in Newborough to compete in the **Regional Track and Field championships**. As you would expect, they performed extremely well and Alexander Jackisch (hurdles), Oceanna Greaves (800m and 1500m) and Piper Crawley (shot put) have progressed to the State Championships. What an achievement!

Our year two students enjoyed their **camp experience** yesterday with an excursion to Eastern Beach park that finished at 5.30pm. They clearly had the time of their lives making sandcastles together. Their manners were impeccable, and it is a step towards their first overnight camp next year.

Today we acknowledged Day for Daniel with lessons that focused on child safety. Our students wore red and donated to the foundation which does an excellent job of providing teachers and parents with child safety resources. Should you be interested in access resources visit;

<https://danielmorcombe.com.au/day-for-daniel/>

Challenges and Choices is now available from the Daniel Morcombe Foundation.

Our latest resource is an interactive, choose your own adventure animation that's FREE, fun and contains important safety messages about staying safe online in an engaging and age-appropriate way.

This educational game is designed for students to play individually, at school or at home and can also be shown to class groups to generate discussion around decision-making.

Challenges and Choices was developed with funding from the eSafety Commissioner.

Parents, please remember that **Monday, 4 November is a school closure day**. We hope this provides an opportunity for your family to get away over the Melbourne Cup break.

Kind Regards,
Matthew Hamer

Division Summer Sports

BOYS

On Thursday, the 17 of October, the boy's basketball team went to Bairnsdale to represent St Brendan's at the Division Summer Sports. Our first game was against Lucknow Primary School. It was a close game but we unfortunately lost by 3 points. After the first game we didn't get a break and we had to play 2 games straight and we had to go against the strongest team, Bairnsdale West Primary School. We lost that game by about 30 points but after that we finally had a break for 2 games. After our break we played against Lindenow Primary School and we won that game by 40 points. It was a great day with lots of fun moments and some great moments on the basketball court.

GIRLS

On Thursday, 17th of October, we headed off to the Bairnsdale BARC to compete in the Division Summer Sports competition. At the start of the day we were all very excited and pumped with energy for our games. The people on our team were Piper Crawley, Isobel Mills, Haddie McLeod, Keelie Silver, Violet Lyon, Sal Milito, Oceanna Greaves and Billie Hayllar. It was very fun and we all had a blast playing basketball. Our first game we sadly lost by 2 points to Lucknow PS, but our next games were much better, winning them by over 10 points to Lindenow and Bairnsdale West. In between our games we played, cat, goat, cheese, pizza, and I think we were more competitive in that than in our games. We thank all the teachers that looked after us and helped us have a good time, we also thank Mrs Witherow and Mrs Mills for coaching us at this level. Good luck to the grade 5s next year in all summer sports.

BASKETBALL

Division Summer Sports

On Thursday, the 17 of October the Girls Cricket team travelled all the way to Bairnsdale to the field across from Bairnsdale Secondary College to the cricket division with Mrs Henderson and Fi along with a supportive team. On the bus ride there we all sang happy birthday to Miss Witherow.

The girls cricket team went to Bairnsdale to have fun and that is exactly what we did. We only played one team and that was Lucknow.

In the first game there was a practice round with one of the boy teams in district. When we played they won the toss and decided to field. It was hard but we tried our best. Mrs Henderson was the umpire and encouraged us throughout the day while Fi helped us to get ready and reminded us to stay hydrated. It was very tense but we all had fun and that is what matters.

We sadly didn't make it through but we all had a fantastic day and we were all supportive of each other. We all did very well and from that we got 114 runs but Lucknow got 142. We wish them all the best of luck at Regionals. It was Grade 6s last summer sports activity and we wish best of luck for next year's Summer sports participants. Thank you to all the teachers for coaching us and being amazing.

SCREEN TIME

Instead of how much screen time,
ask these questions:

1 What are they doing on screens?

2 What effect is screen time
having on them?

3 What are they missing out on
whilst on screens?

We are living in 'The Digital Age', and our kids might be spending more time on screens than we'd prefer. So, make sure their screen time is useful, productive, and supports their overall well-being.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate – (New arrangements)

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.
