Dear Parents and Carers,

We are excited to announce the arrival of the Dental Van at our school! Your child's dental health is important to us, and we believe that prevention is the key to maintaining those healthy smiles. Here are some compelling reasons why you should consider taking advantage of this opportunity:

- **Convenience:** The Dental Van is coming directly to our school, saving you time and the hassle of scheduling separate dental appointments.
- **Free Dental Check-ups:** Yes, you read that right! Your child can receive a **FREE** dental check-up right here at school. If the child is not eligible for CDBS, we will provide complimentary oral health screening for the child at no charge.
- **Educational Experience:** They will learn about the importance of oral hygiene, brushing techniques, and healthy eating habits.
- **Treatment Provided:** The Dental Van offers preventive services such as cleanings, sealants, fluoride treatments, fillings etc. all aimed at keeping your child's smile healthy and bright.

We encourage parents and guardians to take advantage of this wonderful opportunity to ensure your child's dental health is in top shape. Please sign up for a dental check-up for your child at the school office, and feel free to ask any questions you may have about this program.

Let's work together to keep our children's smiles healthy and beautiful! Your child's smile is worth it!

Wellbeing Barometer Survey 2025

A SPECIAL REPORT: The Wellbeing Barometer - 2025

The Wellbeing Barometer survey is an invaluable tool for schools, providing critical insights into the mental health and wellbeing of young people. This annual survey identifies areas of concern, highlights resilience and adaptability in students, and emphasises the importance of preventative strategies to promote positive outcomes.

Participation in this survey is strongly encouraged, as it offers a comprehensive view of students' experiences, challenges, and achievements. By capturing a detailed understanding of young people's experiences, the survey supports a tailored approach to enhancing their mental, emotional, and social wellbeing. It helps to identify strengths and areas for improvement, as well as pinpoint opportunities for early intervention.

The survey is part of an ongoing longitudinal study, and we encourage you to take a few moments to complete the survey for each of your children. Responses remain anonymous and should be based on your observations over the last 12 months. By working together, we can reduce the long-term impact of mental illness and make a meaningful difference to the lives of our young people for a brighter future.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

SCHOLASTIC

Book Club

Dear families,

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school is participating in **Scholastic Book Club** this year. Up to twice a term, during the school year, we will send home a Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. We recommend them because the books span a wide range of children's reading levels and interests and because they are inexpensive (some books cost as little as \$3).

It is easy to order. The **Book Club LOOP** platform for parents allows you to pay by credit card. Your child's order is submitted directly to school safe and sound and the books will be delivered to class. You can place your child's order at **scholastic.com.au/LOOP** or using the **LOOP** app, which can be downloaded from the App Store or Google Play.

Owning your own books is something special! I hope that you will encourage your child to order books this year. Each order helps earn free books and teaching materials for our classroom, however there is never any obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.

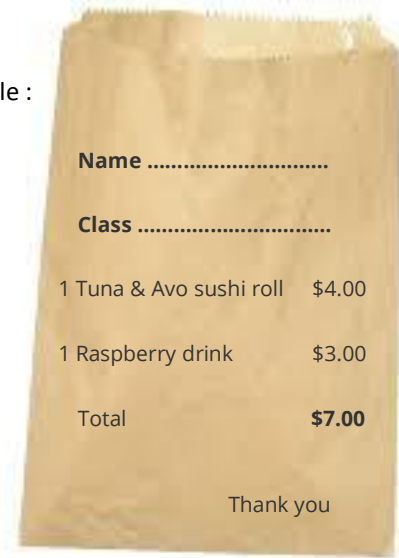

Lunch orders are available on a Friday and are supplied by Mamma Vu's Kitchen.

- All orders will need to be in by **Thursday morning - before 12pm** for lunch on Friday
- **NO LATE ORDERS** will be accepted
- Please make sure that all orders are on a brown paper lunch order bag with the correct money
- Siblings will require one bag each
- Name and class needs to be clearly stated on the bag

Please see attached menu and please take note of prices.

FINANCIAL ASSISTANCE

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$154 for primary school students
- \$256 for secondary school students

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure

When picking up and dropping off your child we ask all parents to observe the following procedures at St Brendan's CPS.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate – (New arrangements)

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Please use the appropriate car park entry and exit. Please do not drive across the footpath to enter or exit the car park. We have students and other pedestrians using the footpath.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.

Regards,
Matthew Hamer
Principal
