# YEARS 4-6 SWIMMING LESSONS

On Monday the 10th of February, school swimming lessons started for children in Year 4-6. Everyone has been having lots of fun doing safe entries into the pool, diving off the edge of the pool, and at the end of every lesson, some groups have been able to do jumps off the edge of the water mat into the pool, trying to make the biggest splash.

Everyone has been learning how to perfect their freestyle, backstroke, breaststroke, and survival backstroke, with the help of the swimming instructors.

Everyone is looking forward to survival day on the final day of swimming lessons, where you wear your clothes over your bathers in the pool, do survival backstroke, swim through obstacles, and learn how to put on a lifejacket.

Thank you to all our swimming instructors for upskilling us in water safety and to our teachers for walking us to and from the pool each day.

# INTERSCHOOL GYMKHANA

Isla and Phoebe had a great day at the interschool gymkhana.

Isla & her pony Bondy: 2nd place Handler & 3rd Rider.

Phoebe & her pony Archie: 4th Handler.  
In showjumping they both had a clear round.

They both did really well in the heat and had a great day.

In Foundation, students have been growing rainbows.

The colourful results will be used as butterfly wings as we learn about lifecycles.

# Wellbeing Barometer Survey 2025

## **A SPECIAL REPORT: The Wellbeing Barometer - 2025**

The Wellbeing Barometer survey is an invaluable tool for schools, providing critical insights into the mental health and wellbeing of young people. This annual survey identifies areas of concern, highlights resilience and adaptability in students, and emphasises the importance of preventative strategies to promote positive outcomes.

Participation in this survey is strongly encouraged, as it offers a comprehensive view of students' experiences, challenges, and achievements. By capturing a detailed understanding of young people's experiences, the survey supports a tailored approach to enhancing their mental, emotional, and social wellbeing. It helps to identify strengths and areas for improvement, as well as pinpoint opportunities for early intervention.

The survey is part of an ongoing longitudinal study, and we encourage you to take a few moments to complete the survey for each of your children. Responses remain anonymous and should be based on your observations over the last 12 months. By working together, we can reduce the long-term impact of mental illness and make a meaningful difference to the lives of our young people for a brighter future.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

**If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.**

# FINANCIAL ASSISTANCE

## INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

## CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$154 for primary school students
- \$256 for secondary school students

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure

### MORE INFORMATION

For more information about CSEF visit:

When picking up and dropping off your child we ask all parents to observe the following procedures at St Brendan's CPS.

**Collecting Students from School Grounds – Child Safety** As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

**Collecting from the church gate – (New arrangements)**

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

***Please use the appropriate car park entry and exit. Please do not drive across the footpath to enter or exit the car park. We have students and other pedestrians using the footpath.***

**Collecting from the administration office**

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

**Collecting from car line**

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.
