Author visit

SOFIE LAGUNA

After an inspiring session with author Sofie Laguna, our Year 1 students delved into her beloved picture book *Too Loud Lily*. The story follows Lily Hippo, a spirited young hippo whose exuberant volume often causes a stir at home and school. However, when a vibrant drama teacher named Miss Loopiola arrives, Lily discovers that her loudness is a unique gift, especially on stage.

Sofie is an award-winning author for children and adults. She originally studied to be a lawyer, but after deciding law was not for her, she moved to Melbourne to train as an actor. Sofie worked for many years as an actor before she began to write books.

We would like to thank Sofie for coming to St Brendans and sharing her journey with us.

Lacey

What surprised you about her writing journey?

She was a fairy before she became an official author

Have you read any of her books?

No I haven't, but the Grace book looked like a good read!

If you have what do you like about them?

Sofie read a bit of the book Grace, and I thought it was intriguing.

Did you enjoy her presentation style?

Yes, she was very funny #LOL

What else do you wonder about?

What is her favourite book to read besides hers?

Millie

What surprised you about her writing journey?

Her story "The Yellow Blanket" got rejected by four publishers before getting published.

State Cross County

Hi my name is Shiloh Eiseman and I went to School State Victoria on Thursday, Term 3, Week 1. I had to drive up to Melbourne on the morning of the race. I was very nervous. I felt like jelly but it ended up being a pretty simple race. I ended up coming 36th. I mean, I'm happy it's over with. After the race my Mum and I went shopping. After wasting all my Mum's money we started to drive back to Lakes Entrance. On the way back we got Hungry Jacks and that's something to make my siblings mad. That's pretty much all I did when I went to State Cross Country.

Ivy O'Donnell also attended the State Cross Country.
Ivy finished in 77th place.

*Congratulations, Shiloh and Ivy
We are very proud of you at St Brendan's*

Sibling Relationships

A SchoolTV topic supporting
modern-day parenting

In this edition of SchoolTV - SIBLING RELATIONSHIPS

Sibling relationships are often a child's first and longest-lasting social connection. These bonds can offer companionship, support and opportunities to develop important life skills such as empathy, negotiation and conflict resolution. However, like all close relationships, sibling dynamics can be complex. Differences in temperament, age, needs and parental attention can all contribute to tension or rivalry. It's not uncommon for children to compete for attention, especially during times of change or stress.

As a parent or caregiver, your role in shaping the tone of sibling relationships is vital. Creating a home environment that celebrates each child's unique strengths and avoids direct comparisons helps reduce rivalry and fosters mutual respect.

By listening without judgement, teaching emotional regulation, and supporting each child's individuality, you can create a family culture where siblings feel secure and valued. This edition of SchoolTV offers insights to support young people in developing positive, lasting sibling bonds that can remain strong well into adulthood.

We hope you take time to reflect on the information offered in this edition of SchoolTV and we always welcome your feedback. If you have any concerns about your child, please contact the school counsellor for further information or seek medical or professional help.

When picking up and dropping off your child we ask all parents to observe the following procedures at St Brendan's CPS.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate –

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Please use the appropriate car park entry and exit. Please do not drive across the footpath to enter or exit the car park. We have students and other pedestrians using the footpath.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them. If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organise students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.

Regards,
Matthew Hamer

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!

TO CHECK

Check the scalp for insects or eggs.
Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/lotion (containing insecticide) - this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7-10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/scarves etc.
