Division Summer Sports *Cricket*

Boys

On 10/10/25 the boys cricket team consisting of Leon, Noah, Brock, Shaaurya, Lucas, Lincoln, Harrison and Maddox went to the Lakes footy field, for summer sports. When we arrived we put on sunscreen and started playing. Up first was Lakes Entrance Primary School (LEPS.) We won the bat flip and chose to field. They scored 64 runs and we scored 72 runs and won the game. Then we immediately played Toorloo Arm Primary School (TAPS.) We won the bat flip and decided to bat first. We smashed many sixes and fours, we had scored 114 runs but TAPS scored 118. We played very well but we just missed out on the win by 4 runs. We then had a small break where we could eat and re-apply sunscreen. Then we went to the small pitch to play against TUBBS 'B' where we won 127 to 112 runs. After this we went against the best team we would face on the day. We won the bat flip and chose to field. We did very well fielding and made them score 80 runs, then we were batting. Brock and I made 45 runs and the rest of us did very well but sadly we didn't win. Which meant we didn't make it through to the next round but overall we had lots of fun! We would like to thank Mel and Mrs Neal for coaching us on the day and everyone that helped out to make the day happen.

By Shaaurya S

Division Summer Sports *Cricket* Girls

On Friday the 10th of October, the girls cricket team headed to the Lakes Entrance football oval to play TUBBS and LEPS in cricket.

It was a very windy day and tough conditions to play cricket in but the sun was out which was enjoyable. When we first got there we warmed up and started playing against LEPS. If we won this game we would make it through to division, and we did!

We are so excited that we get to go to Bairnsdale to play.

The next game we only won by one point! It was 58 to 59. Our day was amazing and we loved putting zinc on our faces and eating lollies.

We can't wait to go to the next level in summer sports! Everyone did an amazing job batting, bowling and fielding.

We would like to thank Mrs Neal and Mel for coaching us and Brent Neal for umpiring our games.

Thank you also to Ollie & Scott from the Lakes Entrance Cricket Club who came along to umpire the other matches.

Division Summer Sports Volleyball Girls

When we got to the high school we started the warm ups. We focused on serves, digs and sets. Throughout the games we worked on the three techniques. The first game we did really well with our serves and digs. We didn't really use sets but at our second game, the host had told us to try to use our set to an advantage which helped a lot.

Girls volleyball was a challenge but also a lot of fun. The first game we smashed TUBBS then we went up against LEPS and sadly they won that round. We had a few good rallies against LEPS but then eventually we lost by a few points. TAPS was the last team we went up against. We won! Overall, we won two and lost one game but we didn't get through. We had a lot of fun!

Thank you to Shaun for teaching us new skills and supporting us through the day and Lakes Entrance Secondary College for hosting the event. A big thanks also to Mrs Bromilow and Kylie for coaching us and supporting us throughout the day.

By: Hannah Rose Fitzgerald.

Division Summer Sports *Volleyball* Mixed

Last week, our mixed volleyball team represented St Brendan's in the Summer sports competition. The students played with great enthusiasm, teamwork, and determination throughout the day.

Although the team didn't make it through to the next level, they showed great skill and improvement with every match.

It was wonderful to see both the boys and girls working together, showing respect for their opponents and celebrating each other's efforts. The team should be very proud of how they played and the way they represented our school. Thank you to Mrs Bromilow and Kylie for supporting us on the day.

Division Summer Sports *Basketball* Girls

On Friday the 10th of October, we had the volleyball, cricket and basketball teams go to summer sports, but in this article it's all about girls basketball. At the St Brendan's school basketball hall, eight girls - Sadie, Hunta, Lacey, Kenya, Billie Ivy, Winter and Georgia competed against Lakes Entrance Primary and TAPS.

We won all of our four games using great teamwork, sticking together and not giving up! We versed some people we know from other schools, so we were friends in general but enemies on the court. The schools were really fun and showed good sportsmanship which really brightened everyone's day. Each game we evaluated our chances of winning and came up with a strategy that would give us a chance to win. We played Man on Man, and used the benefit of passing to get the ball to our end faster.

During our last game with five seconds on the clock, Lacey number 13 scores a one-handed three from the yellow line - a perfect way to finish our day, busing with excitement and celebrating our wins.

We would like to thank our fantastic coach Fi for guiding us through games and running training sessions, parents who came to watch and score our games, and other schools and teachers for making this event possible.

If you want to cheer us on, come and watch one round and sing our lucky song!!!

SONG:

Division Summer Sports Basketball Boys

On Friday the 10th of October, we had Summer sports. The first game was against Lakes Entrance Primary School (LEPS) and the score was LEPS 13, St Brendan's 39. Everyone played well and worked together to get the win. Then we had a break and watched the other game being played. Our second game was against TAPS. The boys shared the ball around and always looked for the open player to help score. The final score was TAPS 15, St Brendan's 27.

After our second game there was a lunch break and a chance for the referees to have a break.

In our last game we played TUBBS. The scores were TUBBS 4 St Brendan's 38. After working hard all day, Jordan scored his first goal through the support of his team mates and it was worth it to see the joy on his face!

We would like to thank Miss Witherow for coaching us and Sheenie for supporting us during the day. Thank you also to Cooper and Evan for umpiring our games. We are looking forward to the next round!

Social media age restrictions

What you need to know

From 10 December 2025 Australian young people under 16 will not be allowed to create or hold accounts on certain social media platforms.

Delaying account access allows more time for young people to build digital literacy and greater resilience.

How will it work?

Under the law, the responsibility lies with the age-restricted platforms to find and deactivate existing accounts held by under-16s and to prevent under-16s from creating new accounts.

There are no penalties for under-16s who access an age-restricted social media platform, or for their parents or carers.

Social media platforms

Online services are constantly evolving but at this stage the restrictions are likely to apply to **Facebook, Instagram, Snapchat, TikTok, X (formerly Twitter) and YouTube**, among other platforms.

Online gaming and standalone messaging apps are among a number of types of services that have been excluded under the legislative rules.

Teens will still have online access

Under-16s will still be able to see publicly available social media content that doesn't require being logged into an account. For example, most content is currently available to view on YouTube without holding an account.

Having an account increases the likelihood that they'll be exposed to pressures and risks stemming from design features which encourage children to spend more time on screens, while serving up content that can harm their health and wellbeing.

Uniform Reminders

JEWELLERY is restricted to the following - a wrist watch, no more than **one** small plain matching pair of studs or sleepers in the ear lobe - gold, silver or gemstone, a religious medallion on a chain to be worn under clothing.

Fashion jewellery, make-up and nail polish are not permitted.

HAIR is to be kept neat and tidy at all times. Hair longer than collar length, must be **ted back completely**. This is to help restrict the spread of nits and lice and for student safety. Headband, hair ties, ribbons, scrunchies and clips must be **blue, black or brown**.

It is not appropriate for children to come to school with dyed or inappropriate hair styles as deemed by the Principal.

When picking up and dropping off your child we ask all parents to observe the following procedures at St Brendan's CPS.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate –

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Please use the appropriate car park entry and exit. Please do not drive across the footpath to enter or exit the car park. We have students and other pedestrians using the footpath.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them. If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organise students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.

School Crossing Assessment

Council have been asked to conduct a school crossing inspection on behalf of the "Department of Transport" Victoria. This inspection will be completed at a random date during term 3 or 4 at morning drop off and afternoon pickup. During these inspections, Council officers will be required to take photos and measurements of existing school crossings and road infrastructure. There will be no facial recognition in any of these photos as all faces will be blurred out.

EVERYDAY COUNTS

Being at school every day helps students benefit from learning, friendships and opportunities that shape their future.

80% ATTENDANCE = 1 DAY A WEEK

An 80% attendance rate puts your child at risk of falling behind.

1 DAY A WEEK = 40 DAYS A YEAR

That's almost a full term of lost learning.
Every day counts, even small absences make a big difference.

40 DAYS A YEAR = MISSING MORE THAN 1 YEAR OF PRIMARY SCHOOL IN 7 YEARS

Attendance matters.
The more days missed, the harder it is to catch up.
