## ST BRENDAN'S CATHOLIC PRIMARY SCHOOL

We gather on Gunaikurnai Country. We pay our respects to their Elders; past, present and emerging. We also acknowledge the ongoing living culture and connection to Country of all First Peoples.

### RE: Communication With the School Office

**Please be aware that PAM is now fully functional. PAM is our main and preferred source of communication with families. Please use this resource to correspond with the office in regards to absences.**

**Please ensure that after school arrangements are organised with your child at the beginning of the day. If for some reason your circumstances change, please provide notice to the office before 12.00pm.**

## Harmony Day Lunch

FRIDAY 20<sup>TH</sup> MARCH

On Friday, 20 March our Year Six Captains have arranged for a Harmony Day lunch.

Each year at St Brendan's CPS we celebrate Australia's cultural diversity and reaffirm the importance of respect for all. This event coincides with the United Nations International Day for the Elimination of Racial Discrimination.

Students are invited to wear something orange to support this cause.

Each student is invited to select from the lunches offered below to try a flavour of food from a country around our world. Students might not get their first selection so please select up to three dishes in order. Option 1 being your first choice and Option 3 being your third.

### CHICKEN FAJITAS

### BUTTER CHICKEN

### BEEF BULGOGI

### FRIED RICE

### STUFFED BREAD ROLLS

# KINECT2DANCE DISCO

THURSDAY, 26<sup>TH</sup> MARCH  
YEAR F - 1: 4.30PM - 5.30PM  
YEAR 3 - 6 - 6.00PM - 7.00PM

MARY MACKILLOP HALL

Free dress code

We are pleased to welcome back the performing arts program with Kinect2Dance on Monday, 23 March - Friday 27 March. We had a terrific time last year with Kyle from Kinect2dance and the feedback was overwhelmingly positive. In school hours, over the course of the week, students will dive into movement, music and teamwork in a fun and engaging way. Their journey will culminate in an exciting school disco, giving students a chance to dance, have fun, and enjoy the community spirit.

We would appreciate a few parent helpers on the afternoon of the disco, please indicate on the permission slip below if you are able to assist. Parent helpers must have a current Working With Children Card.

Dear Families and Friends,

Remarkably, another week passes us by, and we have arrived at the March long weekend. Our senior classes are settling in after swimming lessons, and our junior years are accelerating through the morning's literacy and numeracy sessions. We are amazed at what our new foundation students have already achieved. It is a real credit to our accomplished teaching team.

NAPLAN kicks off next week for our students in years three and five. Parents, we have prepared the students by developing their stamina for tests and by exposing them to the language of the questions. You can assist by ensuring your child gets a good night's rest, that they have a healthy breakfast and they are not getting too much screen time at night. Tests will take place on the following dates along with any catch up sessions that might be required.

**NAPLAN Schedule: March 11 Writing – March 12 Reading – March 13 Language Conventions – March 16 Numeracy**

**Vitamins and minerals: the basics - <https://raisingchildren.net.au/pre-teens/healthy-lifestyle>**

**Your child needs a lot of essential vitamins and minerals for growth, development and good health. These include:**

- vitamins A, B, C, D, E, K and folate
- minerals like calcium, iodine, iron and zinc.

The best way for your child to get enough vitamins and minerals is by **eating a wide variety of foods from the 5 healthy food groups:**

- vegetables and legumes
- fruit
- cereals and grain foods
- foods with protein, including meat and meat alternatives
- dairy or dairy alternatives.

**Most vitamins, minerals and other nutrients are absorbed better when they come from food, rather than from vitamin and mineral supplements.**

Congratulations to our swimming team who competed at the Division Swimming Finals on Monday. The team was exceptionally well behaved and supported one another just as we would have wanted.

Our year six student leaders got the year off to a tremendous start at our first assembly last week. We were brimming with pride to see the confidence they showed when presenting to such a large audience. Next week, we have our second assembly along with the Year Six Red item. Please join us.

St Brendan's will do our part for Clean Up Australia day this afternoon as we clean up the Lake Entrance foreshore and our grounds. If you have a current Working With Children Card you are welcome to join us from 2.30pm

Kind regards,  
Matthew Hamer

# DIVISION SWIMMING CARNIVAL – SALE

On the 2nd of March, 26 students made it through from St Brendan's to division swimming. We took the bus from the school to Sale swimming pool at 8:30am. When we got there it was raining, like a lot! When it started everyone was locked and ready to go when they saw the competition.

St Brendan's did really well that day considering the talent from the other schools! So far from St Brendan's no one has made it through, although we had many amazing results with students getting 2nd, 3rd and even 4th in their races. Some students are waiting to see if they move on to regionals, as times may allow them to progress. We are waiting for the organizers to say if Ivy O'Donnell (Butterfly), August Neal (Freestyle), the U12 boys relay team and the U10 boys relay team have made it through, fingers crossed for those people. Thank you to Mrs Neal, Mrs Morrison and Mrs Kenny for taking us! We all had a great time!

# FIRST ASSEMBLY

On the 27th of February we had our first assembly of 2026! During this assembly we had the presentation of the year six leadership badges, the swimming carnival winning house and lots of entertainment by our year 6s. We asked some of our captains how it felt running our first assembly for 2026.

Evie McMeeken (Yellow House Captain): I liked presenting year 1/2 merit certificates and the whole experience.

Jaxon Crawley (Red House Captain): I liked getting to do the class of the week with Shep and all the others. It was really fun.

Winter Thomas (Female School Captain): I loved getting the badges and presenting the school captain awards.

# CARITAS AUSTRALIA PROJECT COMPASSION

Unite Against Poverty this Lent

This Lent, we are proud to support Caritas Australia's Project Compassion and to stand in solidarity with school communities across the world who have their education disrupted by the daily struggle for clean, safe water.

This week, we're introduced to Sisilia, a 13-year-old girl from Tanzania. Sisilia supported her mother by walking long distances three times a day to fetch water. The water was unsafe, causing frequent illness, and the long walks left Sisilia exhausted and struggling to focus on her studies.

Thanks to Project Compassion and the support of schools like ours, Sisilia's school and village now have safe clean water taps. This means it takes Sisilia just two minutes to collect water, giving her more time to learn so she can fulfil her dreams of one day becoming a pilot.

"I'd like to fly to different countries and pass through the sky." – said Sisilia. "Also, I want to help my family live a better life. If I can study without spending so much time fetching water, I know I can achieve my dream."

**You can support Project Compassion 2026 through the donation boxes in the classrooms.**

**Thank you for standing with us, as we Unite Against Poverty this Lent.**

**LAST WEEK ZANDER AND I WENT TO EACH CLASS TO COUNT HOW MUCH MONEY PEOPLE HAVE DONATED FOR CARITAS. WE COUNTED THE MONEY AND IT ADDED IT UP TO A GREAT TOTAL. WE ALREADY MADE \$53.20! WELL DONE TO EVERYONE WHO DONATED! PLEASE TRY TO GIVE A BIT MORE WHEN YOU CAN.**

**WRITTEN BY REMY  
ALBERT**

**REMY AND I ARE SO GRATEFUL FOR THE MONEY THAT YOU HAVE DONATED AND THE PEOPLE THAT THE MONEY GOES TO WILL BE EXTREMELY HAPPY FOR ALL OF YOUR KIND DONATIONS. THE CURRENT TOTAL IS \$53.20 AFTER THE FIRST WEEK. PLEASE GIVE A LITTLE EACH WEEK.**

**WRITTEN BY ZANDER  
NOWELL**

**Current total donated: \$53.20**

## A SPECIAL REPORT: Discussing War & Conflict

Children are frequently exposed to distressing news through the 24-hour news cycle and social media. These experiences can provoke anxiety, especially in young minds still forming their worldviews. Parents and caregivers should be mindful of overexposure to such content as it can lead to symptoms similar to post-traumatic stress disorder. Children's responses to trauma can vary, from being strong emotional reactions to being indifferent. It can leave an emotional imprint that can affect a child's behaviour and perception of danger.

Children need reassurance about their safety as they navigate uncertain times. Tailor conversations to your child's age and emotional maturity. Younger children benefit from simplified explanations focusing on peace, empathy, and cooperation, whilst older children can delve into historical events, root causes of conflict, and the complexities of international relations.

Before discussing these topics with your child, it is also important to assess your own emotions and comfort level. By staying calm and providing physical comfort will help your child regulate their own emotions. In challenging times, compassionate adults play a crucial role in helping children cope with anxiety and providing hope and understanding in our complex world.

This Special Report provides guidance on how to tackle this difficult topic and helping children understand there is still hope in our complex world.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

**If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.**

# FINANCIAL ASSISTANCE

## INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

## CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

### MORE INFORMATION

## Medical Information Update

Parents and carers are required to update your child's medical information via PAM every year their child attends our school. The information you include on these forms will allow us to maintain our records and put in place any plans to assist in managing their medical conditions.

Information about students' medical conditions are recorded to ensure we are able offer the relevant care while they are at school. It is important to inform the school of any changes to your child's medical information and or needs as soon as possible so we can maintain accurate and up-to-date records.

Parents or cares of students diagnosed with Asthma, Allergy, Anaphylaxis, Diabetes and Epilepsy must also provide a personalised condition specific action plan completed and signed by their doctor. **Action plans must be updated each year.**
