# REGIONAL SWIMMING CHAMPIONSHIPS

On Thursday, Ivy O and I went to Sale to compete in Regional Swimming. It was a cold day but luckily the pool felt quite warm. I swam in the 50 metre freestyle and Ivy swam in the 50 metre butterfly. It was a crowded day but a fun one!

I never really wanted to do the school swimming but I learnt that if you trust yourself, practise and have a crack at something it might take you far even if you never thought of trying it.

# CLEAN UP AUSTRALIA DAY

On Friday the 6th of March, we walked down to the foreshore to clean up the rubbish around the area. The year levels that went to the foreshore were year 5s and 6s. When we got to the foreshore, we split up into groups. The teachers running the groups were Mr Hamer, Mrs Morrison, Mrs Mills, Ms Blackwell, Mrs Kenny, Mrs Rickman and Dan. While the year 5s and 6s were at the foreshore, students from Foundation to year 4 were cleaning up the school. It was a really big surprise how much rubbish we all picked up at school and at the foreshore. It was really good to be a part of Clean up Australia day this year and hopefully all the students learnt how to take care of the environment and our school. Thank you to all the teachers that took the students down to the foreshore and around the school.

# YEAR 6 MASS

On Friday the 6th of March the year sixes celebrated World Day of Prayer with a class Mass.

All the readers read very well.

World day of prayer is a special day where we pray together and remind ourselves that we are one family in God.

We would like to thank Father Hiep and our year 6 teachers for organising and running the Mass.

We are pleased to welcome back the performing arts program with Kinect2Dance on Monday, 23 March - Friday 27 March. We had a terrific time last year with Kyle from Kinect2dance and the feedback was overwhelmingly positive. In school hours, over the course of the week, students will dive into movement, music and teamwork in a fun and engaging way. Their journey will culminate in an exciting school disco, giving students a chance to dance, have fun, and enjoy the community spirit.

We would appreciate a few parent helpers on the afternoon of the disco, please indicate on the permission slip, that was sent home, if you are able to assist. Parent helpers must have a current Working With Children Card.

# A SPECIAL REPORT:

## Responding to Peer Pressure

Peer pressure is a natural part of growing up. As children and adolescents place greater importance on friendships and belonging, the influence of peers can shape their choices, behaviour and sense of identity. While this influence can be positive, it can also create pressure to conform or take risks, particularly during adolescence.

In today's digitally connected world, peer pressure extends beyond face-to-face interactions. Social media and online communication expose young people to constant comparison and unspoken expectations about how they should look, act and perform. Understanding how peer pressure works, both on and offline, helps families support young people to build confidence, make healthy decisions and stay connected to their own values.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

**If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.**

# FINANCIAL ASSISTANCE

## INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

## CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
