Kinect 2 Dance
Connecting schools with dance

We are pleased to welcome back the performing arts program with Kinect2Dance on Monday, 23 March - Friday 27 March. We had a terrific time last year with Kyle from Kinect2dance and the feedback was overwhelmingly positive. In school hours, over the course of the week, students will dive into movement, music and teamwork in a fun and engaging way. Their journey will culminate in an exciting school disco, giving students a chance to dance, have fun, and enjoy the community spirit.

We would appreciate a few parent helpers on the afternoon of the disco, please indicate on the permission slip, that was sent home, if you are able to assist. Parent helpers must have a current Working With Children Card.

WORKING WITH CHILDREN CHECK VICTORIA

Dear Families and Friends,

The weather was a pass for our 2026 cross country and while it is not everyone's cup of tea, it was wonderful to see the spirit in which the students competed. It is a thrill to see the foundation students take off helter skelter and run a full lap in competition for the first time. Well done to all our competitors and in particular our Sports Coordinator, Hannah Neal for preparing the students and facilitating the carnival. Thanks to all the parents who joined us to support the competitors and to the Lakes Secondary students along with Adam Evans who helped in marshalling roles.

Harmony day lunch was a resounding success. We all got to experience delicious food representing some of the cultures that exist within our school. We sat outside on the grass after the cross country, and it was nice to talk to students about their lunch of choice. I would like to thank Hunee Cho, Kelly Richardson, Vancha Srivastava, Shivi Sharma and Evie Huang for preparing our delicious lunches and feeding almost 300 people. Thanks also to Bec and Eddie for donating the use of a bain-marie. What an effort!

Congratulations to all our year three and five students who participated in NAPLAN over the last two weeks. Their strategies and stamina for the four 45 minutes assessments were outstanding. My thanks extends to the teachers who have prepared them so very well. We are looking forward to the results in July.

Family relationships in the pre-teen and teenage years - <https://raisingchildren.net.au/pre-teens>

Family relationships change during adolescence, but they tend to stay strong. In fact, teenagers need family love and support as much as they did when they were younger.

At the same time, teenagers usually want more privacy and more personal space. This is a natural part of adolescence.

Children also need more responsibility and independence as they grow towards young adulthood. How quickly you hand over responsibility to your child depends on many things – your own comfort level, your family and cultural traditions, your child's maturity and so on.

And as teenagers develop independence and responsibility, they need **advice, support and monitoring**. The best monitoring is low key, although there'll be times when it's OK for you to ask your child for specific information about where they're going and who they're with.

Trust is the key to finding a balance between your child's need for privacy and responsibility and your need to know what's going on. If you and your child trust each other and stay connected, your child will be more likely to share what they're up to, stick to the rules, and try to live up to your expectations.

Next week, we have our year three and four students attending the Karoonda Park camp. You never really know what the weather will be like in the high country, but we will be packing our beanies. After the resounding success of Kinect2dance last year, the team are back to run dance sessions with our students. We hope to see you at the disco planned for next Thursday evening. Please check the advertisement on this newsletter. If you have a Working With Children Card and are willing to volunteer, please approach one of the parents with a high visible jacket.

Kind regards,
Matthew Hamer

ASSEMBLY NUMBER 2

This assembly was a huge hit with an amazing Mandarin skit, the year 6 red skit that no one wanted to end, a big surprise and a new fun activity for birthdays which was rolling a tennis ball through a hurdle.

Ivy Doland received the school captain Award, which Lincoln Mallen received the Assembly before. Everything was very well organised by the Activities leaders and School Captains. And who else loved the hilarious stealing of the class of the week?

Willow Watson received a year 6 award by surprise. Close call right, so instead of her reading out her own award we chose to embarrass her in front of the whole school. You're welcome WILLOW!!!

Georgia, Willow, Indie and Leanna presented us with an amazing and informative Mandarin skit about the lunar new year. We definitely learnt a thing or two - Thanks girls!!!!

Finally an amazing end to the assembly was the year 6 red Assembly item. The Item taught us about being a leader, a good person and being someone who always does the right thing. With crazy wigs, glasses, grass skirts and tutus, the Red Year 6 class received a lot of laughs and smiles.

Acting, reading, dancing, and sharing were all a part of our skit. To be honest it was DEFINITELY the high light of the assembly - You're welcome St Brendan's.

Here is a little passage of the behind - the - scenes of an in - the - making assembly.

The captains that are running the assembly have a meeting with Mr. Hamer where we share ideas for the assembly and pick out roles for who wants to do it. Afterwards after everyone has been elected a role or two, we get sent the script of the assembly, with a week to finish the script we all fill out the introductions, conclusions, class of the week ideas and much more. Then, on the week of the assembly we all get together and have a few runthroughs - we change the script - removing and adding and on Wednesday we receive the class awards. We then practice with the awards with the final script. On Friday we have a practice in the morning and then we present the real deal assembly.

The next assembly will be run by the House and School Captains for our Golden Honour Awards.

We can't wait to see all of your beautiful faces for our last assembly for Term 1.

Rotary

Written by Tahlia

Last week, on Thursday, the 11th of March the year 6s were given our Rotary booklets to fill throughout the year. The week before Jeff came and talked to us about what we will have to do to complete our booklets. We have to participate in Community Service, Physical Recreation, Social Experiences and learn a new skill. The grade 6s are looking forward to this opportunity of personal growth and contributing to our community.

A SPECIAL REPORT: Celebrating Harmony Week

Harmony Week is a celebration held annually in March across Australia. It's aimed at promoting diversity, respect and inclusiveness. This event is an excellent opportunity for parents to teach their children about different cultures, traditions and customs. The goal is to encourage everyone to appreciate and celebrate differences and promote a sense of community and belonging for everyone.

During Harmony Week, there are a number of events and activities held to bring people from different cultures together. These activities include multicultural food festivals, cultural performances, art exhibitions and workshops.

Participating in these events helps children to gain a deeper understanding and appreciation of the diverse communities that make up Australia.

As a parent, you can engage your children in discussions about multiculturalism and encouraging them to ask questions. Promoting a more harmonious and inclusive society, can help children grow up with a greater appreciation for the richness and diversity of Australia's cultural landscape.

This Special Report hopes to instil positive values and create an opportunity to start a conversation with your child about understanding diversity and multiculturalism.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

FINANCIAL ASSISTANCE

INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

MORE INFORMATION

For more information about CSEF visit:

E-scooter road rules

<https://transport.vic.gov.au/>

E-scooters that comply with specifications outlined in the Victorian road rules are now legal to use across Victoria.

All riders must follow the rules to keep everyone safe, including always wearing a helmet and never riding on footpaths or while under the influence of alcohol or drugs. Failure to do so could result in hefty fines or even the loss of your driver's licence.

It is against the law to ride an e-scooter on public land if it doesn't meet Victorian device requirements.

- has a maximum speed of 25 km/h when ridden on level ground
- transports one person while the person is standing or seated
- has two wheels (one in front of the other)
- has a footboard between the front and rear wheels
- is steered by a handlebar, and
- does not weigh more than 45kg

•What you must do

E-scooter riders must:

- be aged 16 or over
- wear a helmet
- ride at no more than 20 km/h
- ride on:
 - shared-use paths
 - bicycle paths
 - roads with a speed limit of up to 60 km/h
- use flashing or steady front and rear lights, if riding at night or in low light
- park responsibly in a location that does not disrupt pedestrians or pose a safety hazard
- keep to approved areas if using a hired e-scooter.
